R. Bowker,1988 **Latinas in American Politics** Samantha L. Hernandez,Leslie A. Navarro,Sharon A. Navarro,2016-05-12 The challenges that women face as political candidates can be compounded by race In the case of Latinas stereotypes as well as national media coverage and labeling of Latino issues potentially creates an electoral burden for Latina candidates at the local state and national level The intersection of race and gender is complicated and often creates more questions than it answers How are Latinas elected Are they served by this complex identity or hindered by it Latinas in American Politics Embracing and Changing Political Tradition begins addressing the issues by examining the stereotypes Latinas face while running for political office More specifically the perception of voters on ideological standings of Latinas provides insight as to what party Latinas are identified with and how they can use this to their advantage In addition to establishing the role stereotypes play in the electability of Latinas the way they use and diffuse these stereotypes via campaigns is examined The images that Latinas present and how they interact with voters via social media establishes a new dynamic in campaigning and allows for theory building in the area of race gender and campaigns Aside from campaigning party identification for a Latina creates a different barrier How do Latinas bridge this Case studies of prominent

Latina officials are examined to understand within which contexts and under what conditions Latinas as candidates and as elected officials will experience intersectionality as advantage and disadvantage Finally the examination of Latina congressional members shows whether and how the intersection of gender and ethnicity in descriptive representation contributes uniquely to patterns of substantive representation Ultimately this volume demonstrates how the intersection of race and gender creates unique situations for representation and electability of candidates *Faith, Politics, and Power* Rebecca Sager, 2010-01-15 During the 2000 presidential campaign George W Bush made faith based social services one of the centerpieces of his domestic agenda These faith based initiatives supporters argued would reduce poverty ease the strain on an overburdened welfare system and prove more effective than government programs Opponents feared rampant proselytizing with government funds Instead these practices created a system in which neither the greatest hopes of its supporters nor the greatest fears of its opponents have been realized The product of five years of in depth research Rebecca Sager s *Faith Politics and Power* offers a systematic examination of where and how these programs were implemented arguing that faith based initiatives strayed from supporters original aim of helping the poor and instead were used as tools to gain political power by the Republican Party and the conservative evangelical movement *Handbook of Teaching Public Policy* Emily St.Denny, Philippe Zittoun, 2024-01-18 Pragmatic progressive and global in its approach this Handbook centres around the key question How can we teach public policy Presenting a wide variety of theoretical and methodological perspectives it expertly examines current approaches to teaching public policy and critically reflects on potential future developments in the field
