History of the Town of Rochester, New Hampshire, Vol. 2 of 2 Franklin McDuffee, 2017-11-22 Excerpt from History of the Town of Rochester New Hampshire Vol 2 of 2 From 1722 to 1890. Elias Smith was born in Epping but removed in early life to Moultonborough where the poverty and sacrifices incident to the settlement of a new country served to develop patience, perseverance and energy of character. In a time of

great scarcity of provision he went on foot to Exeter where he procured half a bushel of Indian corn and bore it home on his shoulder a distance of nearly seventy miles through a dense and almost pathless wilderness His son John Smith was born in Moultonborough and brought up to a mechanical calling He married Betsey Roberts of the same place and removed to Rochester about 1796 where he reared six sons and three daughters He was through life an industrious hard working mechanic of strong mental powers ready for every emergency Proverbially an honest man he was endowed with a keen intuitive sagacity and manifested great independence of mind in the choice and maintenance of both religious and political principles He had the confidence of the whole community and those who knew him the most intimately yielded him the largest homage and respect Of an inquiring spirit and gifted with happy conversational powers his society was much sought and he was always listened to with interest and profit His opinions formed only after due investigation became incorporated into his very life His wife was remarkable for her domestic and stern republican virtues Caring always for her household with true maternal tenderness she cherished to the last a most sacred regard for the memory of the patriots of the Revolution Remotely of blood kin to the immortal Warren she partook largely of those strong and sterling qualities which characterized the women as well as the men of the Revolutionary era About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
