The Last Kaiser Michael Sidney Tyler-Whittle, 1977 The Imperial Kaiser Lawrence Wilson, 1991-01-01 **The Public and Private Life of Kaiser William II** Edward Legge, 1915 Wilhelm II John C. G. Röhl, 2004-08-19 Kaiser Wilhelm II, 1859-1941, ruled Imperial Germany from his accession in 1888 to his enforced abdication in 1918 at the end of the First World War. This book, based on a wealth of previously unpublished archival material, provides the most detailed account ever written of the first half of his reign. Following on from John Röhl's definitive and highly acclaimed *Young Wilhelm: The Kaiser's Early Life 1859-1888* (1998), the volume demonstrates the monarch's dynastic arrogance and the wounding abuse he showered on his own people as, step by step, he built up his personal power. His thirst for glory, his overweening nationalism and militarism, and his passion for the navy provided the impetus for a breathtaking long-term goal: the transformation of the German Reich into the foremost power in the world. Urgent warnings from all sides, both against the revival of a semi-

absolute Personal Monarchy on the threshold to the twentieth century and against the challenge his goal of world power implied for the existing World Powers Great Britain France and Russia were brushed aside by the impetuous young ruler with his faithful military retinue and blindly devoted court favourites Soon the predicted consequences constitutional crisis at home and diplomatic isolation abroad began to make their alarming appearance

Then They Came for Me Matthew D Hockenos, 2018-09-18 First they came for the Communists and I did not speak out Because I was not a Communist Few today recognize the name Martin Niemöller though many know his famous confession In *Then They Came for Me* Matthew Hockenos traces Niemöller's

evolution from a Nazi supporter to a determined opponent of Hitler revealing him to be a more complicated figure than previously understood Born into a traditionalist Prussian family Niemöller welcomed Hitler's rise to power as an opportunity for national rebirth Yet when the regime attempted to seize control of the Protestant Church he helped lead the opposition and was soon arrested After spending the war in concentration camps Niemöller emerged a controversial figure to his supporters he was a modern Luther while his critics including President Harry Truman saw him as an unrepentant nationalist A nuanced portrait of courage in the face of evil *Then They Came for Me* puts the question to us today What would I have done
