The Information Age

Introduction

Highly modernized, automated, data-driven, and technologically advanced – the best describe our society nowadays, as evidenced by how information could be transferred or shared quickly.

The different areas of society have been influenced tremendously such as communication, economics, industry, health, and the environment.

According to Webster's Encyclopedic Unabridged Dictionary, information is "knowledge communicated or obtained concerning a specific fact or circumstance".

INFORMATION AGE defined as a "period starting in the last quarter of the 20th century when information became effortlessly accessible through the management of information by computers and computer networks" (Vocabulary.com., n.d.)

Information Age is also called the **Digital Age** and the **New Media Age** – it is associated with the development of computers.
