The Initial Phases Of The Talmuds Judaism:

The Initial Phases of the Talmud's Judaism Jacob Neusner, 1995 **The Initial Phases of the Talmud's Judaism: Exegesis of Scripture** Jacob Neusner,1995 **The Initial Phases of the Talmud's Judaism: Social ethics** Jacob Neusner,1995

The Initial Phases of the Talmud's Judaism: Exemplary virtue Jacob Neusner,1995 **Initial Phases of the Talmud's Judaism** Jacob Neusner,1995 How the Talmud Works Jacob Neusner,2002-10-01 The Bavli or Talmud of Babylonia the foundation document of Judaism its law theology and exegesis of Scripture sets forth an orderly world resting on reason and tested by rationality all in accord with consistent principles The document in its coherent intellectual program of inquiry and in its modes of formal cogency embodies that same passion for order proportion and rationality that animates its concrete discussions Here Neusner spells out the problem of the Bavli s intellectual cogency and formal coherence He provides in exemplary detail the evidence that sustains that characterization of the writing **The Reader's Guide to the Talmud** Jacob Neusner,2001-05-07 This systematic introduction to the Talmud of Babylonia Bavli answers basic questions of form how is this a coherent document How do we make sense of the several languages in which it is written What are the principal parts of the complex writing Turning to questions of modes of thought the account proceeds to address the intellectual character of the Bavli and in particular the character and uses of its dialectics Finally questions of substance come to the fore how does the Talmud relate to the Torah and how does tradition enter in These basic questions of rhetoric topic and logic that anyone approaching the text will raise are dealt with clearly and authoritatively The Book of Jewish Wisdom Jacob Neusner,Noam M. M. Neusner,2001 Presents parts of the Judaic tradition of wisdom concentrating on the oral part of the Torah represented by the documents of law and scriptural exegesis **First Steps in the Talmud** Jacob Neusner,2012-07-10 The Talmud is a confusing piece of writing It begins no where and ends no where but it does not move in a circle It is written in several languages and follows rules that in certain circumstances trigger the use of one language over others Its components are diverse To translating it requires elaborate complementary language It cannot be translated verbatim into any language So a translation is a commentary in the most decisive way The Talmud accordingly cannot be merely read but only studied It contains diverse programs of writing some descriptive and some analytical A large segment of the writing follows a clear pattern but the document encompasses vast components of miscellaneous collections of bits and pieces odds and ends It is a mishmash and a mess Yet it defines the program of study of the community of Judaism and governs the articulation of the norms and laws of Judaism its theology and its hermeneutics Above all else the Talmud of Babylonia is comprised of contention and produces conflict and disagreement with little effort at a resolution No wonder the Talmud confuses its audience But that does not explain the power of the Talmud to define Judaism and shape its intellect This book guides those puzzled by the Talmud and shows the system and order that animate the text *Handbook of Rabbinic Theology* Jacob Neusner,2021-12-28 From his extensive and intensive study of the rabbinic literature Jacob Neusner shows

how the rabbinic documents give expression to a very real if implicit theological system While the rabbinic literature is often seen as a collection of miscellaneous responses to questions arising from study of the Hebrew Bible and its application to contemporary life Neusner sees a system behind and embodied in the various writings He discusses the ways in which the divine thought and the human thinking that sought faithfully to interpret it actually came to expression and treats what he calls the grammar of the divine self expression in order to help us see the theological structure that it implies Then he shows how this implicit system is expressed in the rules for the life of the people that God has chosen as his own Citing passages from almost all of the mishnaic tractates Neusner shows how they fit into and give expression to the system This publication has also been published in paperback [please click here for details](#)
