The Intensive Group Experience The New Pietism:

The Intensive Group Experience Thomas C. Oden, 1952 *New Religious Consciousness* Charles Y. Glock, Robert N. Bellah, 2024-06-14 Since the mid 1960s new religious movements some exotic some homegrown have burgeoned all over the United States A sense of self awareness and spiritual sensitivity have found expression in the lives of large numbers of people especially among youth Why would this happen What do these movements teach and what effect do they have on the future How does religious consciousness relate to other manifestations of social change such as communal living group therapy and radical politics Beginning in 1971 an extensive research project was undertaken by a team of sociologists historians and theologians seeking answers to these questions Through a combination of interviews and participant observations they studied new religious and quasi religious groups in the San Francisco Bay Area a spawning ground for upwards of one hundred such movements The New Religious Consciousness opens with reports on three Eastern based movements the Healthy Happy Holy Organization Hare Krishna and Divine Light more popularly known by the name of its leader Maharaj Ji Three quasi religious movements are then considered the New Left the Human Potential Movement Esalen EST Scientology etc and Synanon Next three movements having their roots in Western religious traditions are examined the Christian World Liberation Front an offshoot of the Jesus Movement Catholic Charismatic Renewal and the Church of Satan whose members believe in witchcraft Succeeding chapters are devoted to estimating the impact of these movements on established religions and the population at large and to the history of earlier periods of religious ferment in the United States The book concludes with provocative essays by the editors in which they present separate and differing analyses of the sources nature and meaning of the new religious consciousness A variety of perspectives are represented here phenomenological theological experiential sociological and social psychological The result is a book rich in insight about the nature of new religions Taken together with a companion volume Robert Wuthnow s *The Consciousness Reformation* also published by University of California Press *The New Religious Consciousness* provides the first comprehensive study of American countercultural belief systems With contributions by Randall H Alfred Robert N Bellah Charles Y Glock Barbara Hargrove Donald Heinz Gregory Johnson Ralph Lane Jr Jeanne Messer Richard Ofshe Thomas Piazza Linda K Pritchard Donald Stone Alan Tobey James Wolfe Robert Wuthnow This title is part of UC Press s *Voices Revived* program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1976 *Psychology as Religion* Paul C. Vitz, 1994 This is a virtually rewritten second edition of New York University Professor Paul Vitz s profoundly important analysis of modern psychology Vitz maintains that psychology in our day has become a religion a secular cult of self and has become part of the problem of modern life rather than part of its resolution **The Early Methodist Class Meeting** David Lowes Watson, 2002-04-22 [Trekking Toward](#)

Wholeness Stephen P. Greggo, 2008-09-23 Stephen Greggo presents a resource for trained leaders of ministry care groups in a variety of church related contexts Its purpose is to assist group leaders in facilitating the development of healing transforming relationships in the group setting **Pastor John, Volume II** Brian N. Tebbutt, 2022-01-28 John s Gospel can be both inspiring and bewildering This book enables insight into the Gospel in a fresh way How is it that we respond to it as we do Understanding is enhanced by studying the text and by being aware of the kind of responses we make Reading and working with it will deepen fellowship and skill in pastoral care John s text is mined for gems of insight into ourselves and as a rich resource of ample illustrative material for preachers and teachers This book elucidates chapters five to nine of the Gospel presenting insights that involve us in the story The content derives from years of teaching John s Gospel in workshops and reflection groups in varying church contexts Guidance is given in working in this way and in how we can share our insights with each other in the light of the text This experience of John s Gospel is illuminated using recent ways of reading What the story means is conveyed in detailed Bible study It becomes real for us How this happens is explored by understanding the process of reading and by observing our reactions to the text John s Christ becomes central to who we are

Pastor John Brian N. Tebbutt, 2020-08-12 Puzzled by John This exciting book illuminates the Gospel in a completely fresh way Reading and working with it will deepen fellowship and skill in pastoral care The text is mined for gems of insight into ourselves and as a rich resource of ample illustrative material for preachers and teachers Poetry prose and hymn references abound Pastor John elucidates the first four chapters of John s Gospel presenting new insights into the text in a way that involves us in the story When we read we come nearer to Jesus who is always with us anyway A guide is provided for understanding ourselves experienced by sharing with each other Precise guidance is given for workshops where all contribute something of themselves in the light of the text This experience of John s Gospel is illuminated using the latest way of reading the text What the story means is conveyed in detailed Bible study It becomes real for us and this reality is explored by understanding the process of reading and observing our reactions to the text John s Christ becomes central to who we are A History of Pastoral Care in America E. Brooks Holifield, 2005-11-01 Here for the first time the development of pastoral care as a discipline has been documented Dr Holifield details the shift in emphasis from saving souls to supporting individuals in self realization and in the process raises thought provoking questions about the preoccupation with psychological methodology evident in modern society and clergy Every pastor wittingly or unwittingly adopts some theory of pastoral counseling whether it be derived from the seventeenth century or from the twentieth says Dr Holifield From colonial America s intellectual approach to today s therapeutic self culture he explores those theories Theological social economic and psychological threads are interwoven with fascinating conversational examples to show how Protestantism helped to form and was influenced by changing social orders Broad in scope scholarly in detail yet immensely readable this is an important book for clinical pastoral educators students professionals everyone interested in church and social history **The Sacred**

in a Secular Age Phillip E. Hammond, 2023-11-15 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1985 *Effective Small Churches in the Twenty-First Century* Carl S. Dudley, 2010-09-01 Dudley's work in *Making the Small Church Effective* 1978 broke new ground in understanding the dynamics of life in the small congregation In this revised edition Dudley revisits the small church posing new questions reflective of the considerable changes that have swept over small churches in the last two decades Among the most significant recent developments are shifts in institutional loyalty and individual's sense of identity in relation to larger groups and organizations Dudley explores the key components that contribute to a small congregation's sense of unity and that motivate its members to more faithfully live out their faith
