The Central African Republic The Continents Hidden Heart Pro Nations:

The Central African Republic Thomas E. O'toole, 2019-07-11 A small poor little known nation the Central African Republic has had a troubled history from the days of slave raids by Arab speaking peoples from the north through the bizarre rule of Jean Bedel Bokassa to the present military regime Landlocked and possessing few resources beyond its famed diamonds it is one of the least developed nations in Africa Since its independence from France in 1959 it has of necessity continued to depend on its former colonial ruler In this introduction to the Central African Republic Dr O Toole examines the country s tumultuous past and current difficulties the nature of the present political situation and the roots of that situation in the colonial and precolonial periods He also focuses on the roles of ethnicity emerging urban problems class formation education and religion in the social and cultural changes that the nation is currently undergoing Finally he realistically assesses the viability of the present government as a vehicle for economic development stability and reform **Violent**

Non-State Actors in Africa Caroline Varin, Dauda Abubakar, 2017-04-24 This book explores the rise and impact of violent non state actors in contemporary Africa and the implications for the sovereignty and security of African states Each chapter tackles a unique angle on violent organizations on the continent with the view of highlighting the conditions that lead to the rise and radicalization of these groups The chapters further examine the ways in which governments have responded to the challenge and the national regional and international strategies that they have adopted as a result Chapter contributors to this volume examine the emergence of Islamist terrorists in Nigeria Mali and Libya rebels in DR Congo Central African Republic Ethiopia and Rwanda and warlords and pirates in Somalia Uganda and Sierra Leone **United Nations**

Peacekeeping in Africa Since 1960 Norrie Macqueen, 2014-07-30 United Nations Peacekeeping in Africa provides an exploration of United Nations military intervention in Africa from its beginnings in the Congo in 1960 to the new operations of the twenty first century The scene is set by an examination of the theoretical bases both of United Nations peacekeeping and of Africa s post independence politics and international relations The peacekeeping project in Africa is then described on a region by region basis Central Africa Southern Africa West Africa the Horn and Trans Saharan Africa with comparisons and contrasts within and between each part of Africa highlighted throughout A number of key questions are considered how have developments in the broader international system affected conflicts in Africa what are the internal and external forces which have caused African states to fail and collapse how have external powers used UN Peacekeeping in pursuit of their own political agendas what determines success and failure in African peacekeeping are there African solutions to African problems which could supplant UN involvement As well as providing an account of UN involvement the book is concerned to explore the long historical origins of the African conflicts with which the UN has been engaged Written in an engaging and accessible manner United Nations Peacekeeping in Africa provides an invaluable examination of the complex issues surrounding UN interventions in Africa **Encyclopedia of Global Warming and Climate Change** S.
