As blown from the clouds of sadness
Or heard from the depths of grief.

Alcott Elizabeth Akers Allen Paul H Hayne William Winter Harriet Prescott Spofford Ben jamin F Taylor Lucy Larcom Ella Wheeler Louise Chandler Moulton Dinah Mulock Craik H C Bunner Mary Clemmer T B Aldrich J T Fields and others may without offence be called It is possible and even probable that this volume may contain some fugitives from between the covers of the works of these contributors to the periodical poetry of the day or even from higher sources But I have taken what the lawyers would call the reasonable care of a reasonable man to reduce the chances of such a fault The range of poetry in the English tongue is now so vast as to put it beyond the study of a lifetime to possess the memory of everything in it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Humbler Poets (Second Series) Wallace Wallace,2015-07-17 Excerpt from *The Humbler Poets Second Series* A Collection of Newspaper and Periodical Verse 1885 to 1910 Not many realize though the fact remains that there are now publishing in English during every calendar year no fewer than a hundred volumes of significant and worthy verse to which may be added two hundred volumes more which frequently contain passages of beauty This implies that there are in the English speaking

world at least three hundred men and women who already masters of an intricate and delightful technique are inspired by sentiments lofty or tender such as make for literary permanency It is earnestly believed to be possible to compile every year from the verses given the light Of print during that time an anthology of short poems and excerpts which will compare favorably with any collection thus chronologically delimited gathered during any period of English literary history Such a collection so we feel assured would suffer little if at all by comparison with the most brilliant twelvemonth of either the Elizabethan or Victorian era About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
