The Husband Test:

The Husband Test Betina Krahn,2008-12-10 She devised her own standards for the perfect man Now can she resist him Betina Krahn the New York Times bestselling author of Sweet Talking Man and The Soft Touch is at her most charming and witty in this enchanting tale of unlikely love She vowed never to be married Sister Eloise was perhaps the most well intentioned novice at the Convent of the Brides of Virtue and the one always in the most trouble Headstrong and earnest she was determined to surprise her frustrated abbess and succeed in her latest role as the convent s new husband judge But to do so this modest beauty who had forsaken all carnal pleasure must judge a warrior whose mere presence exuded a dangerous unpredictable and totally male sensuality He d do anything to be a husband Peril earl of Whitmore needed a virtuous wife in the worst possible way And he could think of no way worse than taking a stubborn opinionated young novice back to his blighted estate and proving he was husband material But in the days and nights to come he finds that the one test he can t pass is resisting this maddeningly irresistible woman And as the dark secret of the Whitmore estate is revealed and their passion ignited by a single forbidden touch they find that the perfect match is often made in a far more sensuous place than heaven [The Husband Test](#) Betina M. it is going on and of boasting afterward One goes for the reason one climbs mountains not for the sake of any inherent pleasure but only to say one has done it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
