The Hustler Walter Tevis, 2022-01-18 The legendary novel from the bestselling author of *The Queen's Gambit* about an ambitious pool shark who discovers what it takes to make the big time The basis for the acclaimed film starring Paul Newman To the strangers he plays in darkened pool halls at first Fast Eddie Felson seems like a sloppy pool player with bright eyes and an extraordinary grin But when real money is on the line they see that Eddie is a hustler of the first order But Eddie's got ambitions and wants to quit his two bit hustling for the big time And when he sets his sights on Minnesota Fats the best pool player in the country he knows this match will be a true test of his skill and he knows he can win But what Eddie doesn't know is that the game of pool isn't all about skill It's about guts and stamina and above all character **The**

Hustler Walter S Tevis, 2016-05-12 This is the 1959 book *The Hustler* by Walter Tevis that was made into a movie *The Hustler* a 1961 movie starring Jackie Gleason as Minnesota Fats and Paul Newman as Fast Eddie Felson In the movie they are competing in a high stakes gambling game for money to determine who is the best player of the game of straight pool in the world In the opening scene in the movie Fast Eddie Felson and his friend Charlie are traveling across the country They stop in a small town at a local pool hall They start playing pool against each other while pretending to be drunk Fast Eddie Felson shows himself to be an average pool player but not as good as Charlie and misses many easy shots Finally the other players in the pool hall which is also a bar start to take an interest in the big money game they are betting on A situation arises where Fast Eddie Felson sets up a difficult shot He bets Charlie he can make this shot Charlie says it is impossible that he cannot do it but he does not have enough money to bet Then another spectator in the pool hall says he will take that bet and bet that Fast Eddie Felson cannot make the shot They both put their money on the table Amazingly Fast Eddie Felson makes the shot picks up the money and quickly leaves the pool hall followed by Charlie They get in their car and speed away

Shoedog George Pelecanos, 2013-09-17 From the poet laureate of the D C crime world *Esquire* comes this powerful early novel the noirish story of how a Washington D C liquor store heist shows a drifter named Constantine what it means to be a shoedog **Franklin Scandal** Nick Bryant, 2009-08-01 A chilling exposé of corporate corruption and government cover ups this account of a nationwide child trafficking and pedophilia ring in the United States tells a sordid tale of corruption in high places The scandal originally surfaced during an investigation into Omaha Nebraska's failed Franklin Federal Credit Union and took the author beyond the Midwest and ultimately to Washington DC Implicating businessmen senators major media corporations the CIA and even the venerable Boys Town organization this extensively researched report includes firsthand interviews with key witnesses and explores a controversy that has received scant media attention **Hustlers, Beats, and**

Others Ned Polsky, 2017-07-12 Ranging from pool hustling to pornography this book analyzes deviant branches of American life dispels misconceptions about them and throws new light on sociological theory and method Each chapter radically dissents from one or more mainstream opinions about deviance The first chapter examines the alleged causes for the decline

of American poolrooms and finds them wanting traces the rise and fall of poolrooms to historical changes in America's social structure and cogently dissects the recent poolroom revival The second chapter reports a field study of a deviant occupation pool hustling describing the hustler's work situation and career from recruitment to retirement In revealing how pool hustlers although dedicated wholly to a vocation that merely breaks unenforced gambling laws frequently supplement their income by means of outright felonies the author develops a new theory of crime as moonlighting The third chapter sharply criticizes our criminology textbooks for avoiding the study of uncaught adult criminals in their natural environments It demonstrates such research to be both necessary and practical with career felons as well as moonlighters The author describes field techniques he has used with career felons offers new findings gleaned by means of these techniques and answers moral objections to such research The fourth chapter presents the first genuinely empirical study of the beat delinquent sub culture in which the author corrects some journalistic views such as that most beats are exhibitionists and some sociological ones such as that retreatist drug users can meet neither legitimate nor criminal success norms The final chapter on the sociology of pornography holds that the courts are wrong to claim that naturalistic erotic art is non pornographic and wrong still to claim that hard core pornography is in Mr Justice Brennan's words utterly without redeeming social importance The author's unusual blend of

A Consumer's Guide to Male Hustlers Joseph Itiel, 2014-02-25 A Consumer's Guide to Male Hustlers gives you exciting insight into all you ever wanted to know about hustlers but were too embarrassed to ask You'll find answers to questions such as where and how to find hustlers how much to pay them and how to make it an experience that is satisfying to both parties Author Joseph Itiel shares with readers his personal experiences and observations describing his dealings with hustlers over a period of about 35 years in many different countries Throughout A Consumer's Guide to Male Hustlers Itiel narrates personal anecdotes lending an intimate dimension to his general observations He describes the hustler scene in the United States and abroad dispelling many erroneous notions about hustlers by addressing such topics as under what circumstances sex for money arrangements are exploitative a comparison of male hustlers and female prostitutes emotional involvement and control between clients and hustlers the notion that hustlers are only for the wealthy whether or not hustlers are likely carriers of sexually transmitted diseases whether or not it is dangerous to pick up hustlers why hustlers hustle the differences between street hustlers models or escorts and masseurs legal issues associated with hustling regular sessions with hustlers as an emotional and libidinal sedative It is the contention of the author that hustlers are an under used resource in the gay community especially valuable to those with a vigorous sex appetite but no steady partner This opportunity is often shunned because potential clients feel guilty about hiring hustlers The author hopes that by reading this book you will come to understand that the hustler experience meeting with hustlers regularly can be mutually exciting and satisfying for both parties Media Law and Ethics

Hustle Urbanism Tatiana Thieme, 2025-03-25 Exploring hustle as a social cultural and economic phenomenon in contemporary Nairobi In Nairobi s underserved neighborhoods hustle has emerged as both a vital survival strategy and a way of life for youth Exploring the multiple meanings and manifestations of the hustle economy across different scenarios of provisioning distribution exchange learning and mobilizing Hustle Urbanism draws on more than a decade of ethnographic engagement to center the logics perspectives and inventive strategies of a group of youth who constantly navigate job scarcity inadequate basic services and climate induced harms Tatiana Thieme shows how young people develop tools of resistance against the legacies of colonial violence and uneven urban development while carving out spaces of opportunity for themselves and their peers The stories she includes bring thick ethnographic detail and longitudinal perspective to the lives and livelihoods of youth whose diverse skill sets and knowledges span from circular economies and eco activism to hip hop and local leadership Filling a significant gap in both existing scholarship and popular discussion Hustle Urbanism offers critical theorization of precarious urban environments and the affirmative modes of making life work in the city against the odds While Thieme cautions against fetishizing hustle as a form of social and economic uplift she calls for a greater recognition of the ingenuity and skill involved in hustle urbanism arguing that studying hustle narratives and practices opens up timely empirical and theoretical questions about overlapping urban struggles and possibilities that coexist in the everyday city Retail e book files for this title are screen reader friendly with images accompanied by short alt text and or extended descriptions
