Discusses keeping exotic fish amphibians reptiles birds and wild mammals as pets [Nuclear Holocausts](#) Paul Briens, 1987
The anxiety caused by the thought of nuclear war causes some people to avoid the topic altogether some to despair and others to place unwarranted confidence in scientific or governmental control However the vivid characters and realistic settings of fiction can bring home the impact of a nuclear war in a way that makes the topic difficult to avoid and allows readers to confront their fears and phobias This bibliography study is the only compilation of its kind to deal exclusively with nuclear war in fiction The first five chapters provide a historical survey of the development of the nuclear war theme and a study of the causes and aftermath of nuclear war as treated in literature In addition Briens considers the significant failure of some works to confront the subject and the success of others as educational tools With a clear focus on the subject of war this work does not deal with such related topics as nuclear accidents reactor disasters or near war situations The bulk of the book is given over to the detailed annotated bibliography which consists of over 800 entries with associated checklists Intended to provide scholars librarians and general readers with ready access to a great variety of information about his body of writing the bibliography lists both hardcover and paper editions of books and the reprinting of each short story and corrects several errors in other standard reference works In his critical analysis and through the annotations in the bibliography Briens attempts to improve our understanding of cultural attitudes toward the dangers posed by the ever present reality of nuclear weaponry Jacket [Science Fiction, Social Conflict, and War](#) Philip Davies, 1990 *The Senior High School Paperback Collection* John Thomas Gillespie, 1986 Provides an annotated list of more than four thousand paperbacks including fiction poetry and books on religion art crafts sports science music history and education **Index to Science Fiction Anthologies and Collections** William Contento, 1978 [LEGO® Minifigure A Visual History New Edition](#) Gregory Farshtey, Daniel Lipkowitz, Simon Hugo, 2020-10-13 Celebrate the epic journey of the LEGO minifigure Enter the world of minifigures with this fully updated edition The first minifigure was created in 1978 and today the entire minifigure population could circle the globe more than five times Starring more than 2 000 of the most popular and rarest minifigures from the LEGO Minifigure Series and themes including LEGO NINJAGO THE LEGO MOVIE™ LEGO Star Wars™ LEGO City LEGO Harry Potter™ and many more From astronauts and vampires to Super Heroes and movie characters feast your eyes on the most awesome minifigures of every decade 2020 The LEGO Group [LEGO Minifigure A Visual History Updated and Expanded](#) DK, 2025-09-02 Kindly note this edition does not include a minifigure Celebrate the epic journey of the LEGO minifigure throughout history now updated with five years worth of new minifigures Enter the world of LEGO minifigures with this fully updated and expanded edition The first minifigure was created in 1978 and today the entire minifigure population could circle the globe more than five times This exciting new edition of the fan favourite LEGO Minifigure A Visual
