The Identities of Persons Amélie Rorty, 1976 In this volume thirteen philosophers contribute new essays analyzing the criteria for personal identity and their import on ethics and the theory of action it presents contemporary treatments of the issues discussed in *Personal Identity* edited by John Perry University of California Press 1975 **Find Your People** Jennie Allen, 2023-08-08 NEW YORK TIMES BESTSELLER WINNER OF THE ECPA BOOK OF THE YEAR AWARD The author of *Get Out of Your Head* offers practical solutions for creating true community the kind that s crucial to our mental and spiritual health My dear friend Jennie Allen shows us how to make true emotional connections with the right people so that our authentic relationships can be healthy for all Lysa TerKeurst author of *It s Not Supposed to Be This Way* In a world that s both more connected and more isolating than ever before we re often tempted to do life alone whether because we re so busy or because relationships feel risky and hard But science confirms that consistent meaningful connection with others has a powerful impact on our well being We are meant to live known and loved But so many are hiding behind emotional walls that we re experiencing an epidemic of loneliness In *Find Your People* bestselling author Jennie Allen draws on fascinating insights from science and history timeless biblical truth and vulnerable stories from her own life to help you overcome the barriers to making new friends and learn to initiate with easy to follow steps find simple ways to press through awkward to get to authentic in conversations understand how conflict can strengthen relationships rather than destroy them identify the type of friend you are and the types of friends you need learn the five practical ingredients you need to have the type of friends you ve always longed for You were created to play engage adventure and explore with others In *Find Your People* you ll discover exactly how to dive into the deep end and experience the full wonder of community Because while the ache of loneliness is real it doesn t have to be your reality *People of the Second Chance* Mike Foster, 2016 What if I told you that you and your not so perfect story have been invited to experience the joy of second chance living Your critics and nay sayers and those negative voices in your head have defined who you are and stolen your hopeful future for far too long The insecurity shame and judgment That Stops Today This simple guide will show you how your imperfect life matters in ways you never thought possible It will help you see your scars flaws and failures as unfair advantages and gifts that you can bring to the world **Missing persons, political landscapes and cultural practices** Laura Huttunen, 2025-02-11 This book examines human disappearances anthropologically in various contexts ranging from enforced disappearances under oppressive governments and during armed conflicts to disappearing undocumented migrants and finally to people who go missing under more everyday circumstances Two focuses run through the book the relationship between the state and disappearances and the consequences of disappearances for the families and communities of missing persons The book analyses both the circumstances that make some people disappear and the variety of responses that disappearances give rise to the latter include projects focused on searching for the missing and identifying human remains as well as political projects

that call for accountability for disappearances While providing empirical examples from a variety of places with Bosnia Herzegovina as they key empirical site the book develops an analytic grip on the slippery category of the disappeared

Inside the Critics' Circle Phillipa K. Chong, 2021-09-14 An inside look at the politics of book reviewing from the assignment and writing of reviews to why critics think we should listen to what they have to say Taking readers behind the scenes in the world of fiction reviewing *Inside the Critics Circle* explores the ways critics evaluate books despite the inherent subjectivity involved and the uncertainties of reviewing when seemingly anyone can be a reviewer Drawing on interviews with critics from such venues as the New York Times Los Angeles Times and Washington Post Phillipa Chong delves into the complexities of the review writing process including the considerations values and cultural and personal anxieties that shape what critics do Chong explores how critics are paired with review assignments why they accept these time consuming projects how they view their own qualifications for reviewing certain books and the criteria they employ when making literary judgments She discovers that while their readers are of concern to reviewers they are especially worried about authors on the receiving end of reviews As these are most likely peers who will be returning similar favors in the future critics fears and frustrations factor into their willingness or reluctance to write negative reviews At a time when traditional review opportunities are dwindling while other forms of reviewing thrive book reviewing as a professional practice is being brought into question *Inside the Critics Circle* offers readers a revealing look into critics responses to these massive transitions and how through their efforts literary values get made
