The Idlers Companion An Anthology Of Lazy Literature:

The Idler's Companion Tom Hodgkinson, Matthew De Abaitua, 1997 More than 50 authors celebrate the independent spirit struggling against the drudgery of the work ethic The essays poetry and fiction excerpts in this anthology are filled with convincing arguments for reclaiming our days from the monotony of the working world These persuasive voices prove that although Idlers reject conventional labor their time is well spent

A Marriage of Philosophy and Music Erich Welling, 2014-04 How to use philosophy and music to open your horizons and enjoy being yourself put theory to work and help you experience personal growth is discussed in A Marriage of Philosophy and Music It is all about after After having a liberal education you are comfortable in modern culture and after further education and becoming a specialist in some field you enjoy using your skills We learn the ideas and methods of many social cultures and our own chosen specialty but we often neglect the liberal art of disciplining and enjoying the ideas and methods of our own individuality This book offers a path toward the education of privacy with the key words being selection design and beauty The book relates five areas of general human interest spirituality philosophy science art and body awareness The interrelation is accomplished by using personal patterns of experience that are available from philosophy and music Because of the plurality of subject matters and methods used in philosophy and music their patterns of discipline are comparable to self discipline A Marriage of Philosophy and Music attempts to create a path in this direction because besides the enjoyment of social culture and personal skills there is enjoyment in being yourself which is a neglected liberal art

Vital Signs Gregg Levoy, 2015-12-29 Explores what inspires passion and what defeats it How we lose it and how we get it back And ultimately examines the endless yet endlessly fruitful tug of war between freedom and domestication the wild in us and the tame our natural selves and our conditioned selves
