The Image To The Beast A Cause For Grief:

When the Extraterrestrials Attack the Book of the Seven Seals Will Be Opened Danny Snapp, 2020-03-02 Humanity has lost sight of who God really is The original teaching came out of Greece and Rome two thousand years ago and the ministers believing this is the truth have been teaching this for generations These teachings have turned to fables This book explains who God is and His two hundred and one thousand and He is going to attack Earth and conquer it in one year one month one day and one hour Humanity has become engrossed in the sins of abomination God is going to cleanse the earth of all sin It is also explained how Armageddon will take place because of America which will bring down the wrath of God This event is just around the corner sooner that humanity thinks Those who live in the sins of abomination will all be destroyed The Bulwark, Or, Reformation Journal ,1859 The Friend ,1883 **The Flaming Sword** ,1910 **Behind The Faith** Tony Mariot, 2018-10-17 We should not base our beliefs on some emotional experience we had which we cannot really explain with any substance other than to attribute the experience to something we want to believe was spiritual or God inspired This choice belief and faith should not be an unexplainable gut feeling or some thought shrouded in a cosmic concept of God that is neither specific nor explainable Neither should we hide behind peer pressure that makes us feel guilty if we denied having any real belief in the existence of God at all None of these aspects are the basis to knowing anything let alone foundations of a faith The question then becomes how do we know what is true and what to believe on the ground where we live What are the facts and what is folklore How can we know for certain This writing is intended to discuss what is biblically spoken of behind the faith of what Christians believe It is not however about conspiracies in the church or an attempt to air any dirty laundry The book of Revelation was chosen as the principle text of this discourse because it is intermingled throughout Scripture like no other It provides seamless segues that will open up opportunities to address other related questions in Scripture as we examine what is behind the faith **The Truth the Whole Truth Nothing but the Truth** Michael, 2011-05-12 In this comprehensive simple to understand and informative literature the author Michael will lift the reader to a place not known to mankind with many revelations in the Bible that has yet to be discovered You will find many spiritual treasures in this book The Lord has revealed his knowledge his understanding his wisdom unto Michael and he wants everyone to ascend with him into the secret place of the most high God called heaven He explores in detail many hidden secrets in the Bible by using scriptures to resolve many unanswered questions such as the following What was the fruit that Adam and Eve ate What are the two images of man What are the two olive trees Who is the mother whore in Revelation chapter 17 What are the beast his mark and his name Who is the Antichrist When is the coming of the Lord What is the everlasting fire What is the battle of Armageddon When is the resurrection What and when is the end If you want to know the truth about our heavenly Father and all of these unanswered questions then this book is for you Nothing will compare to what you have ever read until you read this astounding novel This book is so explosive that it can literally bring

you out of the hell that you are going through and quicken your spirit soul and body and make you free from your sins This is not a chapter by chapter verse by verse book You must rightfully divide the truth nothing but the truth Enjoy An Analysis of the Revelations, Chiefly Founded on the Commentaries of Joseph Mede Richard Graves (A.M., Rector of Mothe.),1854

An Analysis of the Revelations, chiefly founded on the Commentaries of J. Mede Richard GRAVES (Rector of the Union of Motkel.),1854 **The Plan of the Apocalypse** James Walker Hood,1900 **The Book of Revelation from Alpha to Omega** Roy Martin,2011-04 The Book of Revelation From Alpha to Omega is like no other book you have ever read It is a book that will take you through the full spectrum of your emotions It will make you want to love hate fight and cry all at the same time It reveals the people side of the book in the Bible that we call Revelations Contrary to what you might believe about God he is people oriented People are the only creatures that God made in his own image So it stands to reason that people are dear to God s heart The Book of Revelation From Alpha to Omega is primarily about people It is about those things that God desires to do for people It is about those things that people will have to deal with if they ignore what God is offering them It is about those things that have happened will happen and are now happening to all nations tribes and tongues It is about the mark of the beast who the beast is what the mark is and the purpose for the mark It is about the war being fought in the arena of commerce a war about which God is trying to warn us in order for us to be prepared It is like a trumpet calling people to prepare for battle which destined to be awesome the likes of which the world has never seen heretofore The author of The Book of Revelation From Alpha to Omega realizes that some will disagree with what he has written He respects your rights to disagree but he does not offer a refund of the purchase price if you disagree with what he has written
