Book-of-the-Month Club Selection

The Imperial Presidency

Huangqi Zhang

The Imperial Presidency:

The Imperial Presidency Arthur Meier Schlesinger, 2004 Publisher Description **The New Imperial Presidency** Andrew Rudalevige, 2008-12-15 Has the imperial presidency returned Well written and while indispensable for college courses should appeal beyond academic audiences to anyone interested in how well we govern ourselves I cannot help regarding it as a grand sequel for my own *The Imperial Presidency* Arthur Schlesinger Jr Has the imperial presidency returned This question has been on the minds of many contemporary political observers as recent American administrations have aimed to consolidate power In *The New Imperial Presidency* Andrew Rudalevige suggests that the congressional framework meant to advise and constrain presidential conduct since Watergate has slowly eroded Rudalevige describes the evolution of executive power in our separated system of governance He discusses the abuse of power that prompted what he calls the resurgence regime against the imperial presidency and inquires as to how and why over the three decades that followed Watergate presidents have regained their standing Chief executives have always sought to interpret constitutional powers broadly The ambitious president can choose from an array of strategies for pushing against congressional authority finding scant resistance he will attempt to expand executive control Rudalevige's important and timely work reminds us that the freedoms secured by our system of checks and balances do not proceed automatically but depend on the exertions of public servants and the citizens they serve His story confirms the importance of the living Constitution a tradition of historical experiences overlaying the text of the Constitution itself *The Imperial Presidency* Arthur Meier Jr Schlesinger, 2004-08-01 *The Imperial Presidency and the Constitution* Gary Schmitt, Joseph M. Bessette, Andrew E. Busch, 2017-02-06 Time and again in recent years the charge has been made that sitting presidents have behaved imperially employing authorities that break the bounds of law and the Constitution It is now an epithet used to describe presidencies of both parties *The Imperial Presidency and the Constitution* examines this critical issue from a variety of perspectives analyzing the president's role in the administrative state as commander in chief as occupant of the modern Bully Pulpit and in separate essays addressing recent presidents' relationship with Congress and the Supreme Court The volume also deepens the discussion by taking a look back at Abraham Lincoln's expansive use of executive power during the Civil War where the tension between law and necessity were at their most extreme calling into question the rule of law itself The volume concludes with an examination of how the Constitution's provision of both powers and duties for the president can provide a roadmap for assessing the propriety of executive behavior **The Imperial Presidency** Arthur Meier Schlesinger, 1973 From two time Pulitzer Prize winning historian Arthur M Schlesinger Jr comes one of the most important and influential investigations of the American presidency *The Imperial Presidency* traces the growth of presidential power over two centuries from George Washington to George W Bush examining how it has both served and harmed the Constitution and what Americans can do about it in years to come The book that gave the phrase imperial presidency to the language this is a

work of substantial scholarship written with lucidity charm and wit The New Yorker

The Imperial Presidency and American Politics Benjamin Ginsberg, 2021-07-27 Those who saw Donald Trump as a novel threat looming over American democracy and now think the danger has passed may not have been paying much attention to the political developments of the past several decades Trump was merely the most recent and will surely not be the last in a long line of presidents who expanded the powers of the office and did not hesitate to act unilaterally when so doing served their purposes Unfortunately Trump is also unlikely to be the last president prepared to do away with his enemies in the Congress and transform the imperial presidency from a theory to a reality Though presidents are elected more or less democratically the presidency is not and was never intended to be a democratic institution The framers thought that America would be governed by its representative assembly the Congress of the United States Presidential power like a dangerous pharmaceutical might have been labelled to be used only when needed Today Congress sporadically engages in law making but the president actually governs Congress has become more an inquisitorial than a legislative body Presidents rule through edicts while their opponents in the Congress counter with the threat of impeachment an action that amounts to a political albeit nonviolent coup The courts sputter and fume but generally back the president This is the new separation of powers the president exercises power and the other branches are separated from it Where will this end Regardless of who occupies the Oval Office the imperial presidency is inexorably bringing down the curtain on American representative democracy

The Imperial Presidency Arthur M. Schlesinger, 2017-11-01 A brilliant examination of the growth of presidential power from George Washington to George W Bush by a Pulitzer Prize winning historian Newsweek Over the course of two centuries the power of the president of the United States has grown exponentially From George Washington to Abraham Lincoln John F Kennedy and Richard Nixon to George W Bush presidential power has both served and harmed the US Constitution But is the current role of the POTUS what the Founding Fathers intended a strong leader with an equally strong system of accountability In *The Imperial Presidency* Arthur M Schlesinger Jr explores the growth of the executive branch's power and influence on the US government Hailed by the Christian Science Monitor as brilliant and provocative this is a book that explores the history of what happened when the constitutional balance was upset in favor of presidential power and questions how Americans should allow that balance to shape the future

The Myth of the Imperial Presidency Dino P. Christenson, Douglas L. Kriner, 2020-07-13 Throughout American history presidents have shown a startling power to act independently of Congress and the courts On their own initiative presidents have taken the country to war abolished slavery shielded undocumented immigrants from deportation declared a national emergency at the border and more leading many to decry the rise of an imperial presidency But given the steep barriers that usually prevent Congress and the courts from formally checking unilateral power what stops presidents from going it alone even more aggressively The answer Dino P Christenson and Douglas L Kriner argue lies in the power of public opinion With robust empirical data and compelling case studies the

authors reveal the extent to which domestic public opinion limits executive might Presidents are emboldened to pursue their own agendas when they enjoy strong public support and constrained when they don't since unilateral action risks inciting political pushback jeopardizing future initiatives and further eroding their political capital Although few Americans instinctively recoil against unilateralism Congress and the courts can sway the public's view via their criticism of unilateral policies Thus other branches can still check the executive branch through political means As long as presidents are concerned with public opinion Christenson and Kriner contend that fears of an imperial presidency are overblown

War Powers Peter Irons, 2006-05-02 This book examines a fundamental question in the development of the American empire What constraints does the Constitution place on our territorial expansion military intervention occupation of foreign countries and on the power the president may exercise over American foreign policy Worried about the dangers of unchecked executive power the Founding Fathers deliberately assigned Congress the sole authority to make war But the last time Congress declared war was on December 8 1941 after the Japanese attack on Pearl Harbor Since then every president from Harry Truman to George W Bush has used military force in pursuit of imperial objectives while Congress and the Supreme Court have virtually abdicated their responsibilities to check presidential power Legal historian Irons recounts this story of subversion from above tracing presidents increasing willingness to ignore congressional authority and even suspend civil liberties From publisher description

Reining in the Imperial Presidency John C. Conyers, 2009-07 Proof in black and white that George W Bush and his administration abused our constitutional

Thank you very much for downloading **The Imperial Presidency**. Maybe you have knowledge that, people have look hundreds times for their chosen readings like this The Imperial Presidency, but end up in harmful downloads. The Imperial Presidency Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Imperial Presidency free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Imperial Presidency free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated

platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Imperial Presidency free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Imperial Presidency. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Imperial Presidency any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Imperial Presidency Books

1. Where can I buy The Imperial Presidency books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Imperial Presidency book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Imperial Presidency books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing,

and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are The Imperial Presidency audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read The Imperial Presidency books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
