The Institutions Of Art:

The Institutions of Art Peter Bürger, Christa Bürger, 1992-01-01 Art has been an umbrella term for poetry music dance sculpture painting and architecture since the end of the eighteenth century when the bourgeoisie were establishing their hegemony over culture and politics in Germany labor was becoming more clearly divided and religion was losing its unifying force Art became a broad and separate entity as the expectations and experience of it changed The Institutions of Art concentrates on German and French literature in illustrating the formation of aesthetic autonomy and the divergence between high and popular culture Peter Bürger builds on his earlier Theory of the Avant Garde 1984 pushing further into key theoretical questions about art and society Christa Bürger extends the critique to the history of the novel focusing on Goethe and Kleist Looking backward to feudalism and forward to our century the authors show how the function of art has changed along with the criteria for its production and evaluation

Art History and Its Institutions Elizabeth Mansfield, 2002 Art History and Its Institutions focuses on the institutional discourses that shaped and continue to shape the field from its foundations in the nineteenth century From museums and universities to law courts labour organizations and photography studios contributors examine a range of institutions considering their impact on movements such as modernism their role in conveying or denying legitimacy and their impact on defining the parameters of the discipline
