The Integrity Of The Personality Pelican S:

The integrity of the personality Anthony Storr,1964 **Disciplines of Education** Ivor Morrish,2019-08-13 First published in 1967 this book suggests that educational problems should not and indeed cannot be solved in isolation but that we need to bring all our disciplines and resources to bear upon them It explores in turn philosophical psychological and sociological approaches to educational theory and examines great thinkers such as Plato R **The Pelican** ,1920 **A Introduction to Teaching Casework Skills** Jean S. Heywood,2013-07-04 First published in 1998 This is Volume VI of twenty two in the Sociology of Social Theory and Methodology series Written in 1964 this is seen as the first study on the teaching of casework skill to be published in this country conveys vividly the accepted precepts and principles of casework practice and conveys them simply Throughout she has drawn attention to the inter related processes of study diagnosis and treatment and has laid stress on the importance of understanding the mechanisms of defence which she rightly considers basic to casework skill **The Making of a Counsellor** Ms Ellen Noonan, Ellen Noonan, Dr Laurence Spurling, Laurence Spurling,2002-09-11 In The Making of a Counsellor case studies illustrate work done with impossible clients other essays about orphans and debtors accountancy trainees and expatriate employees explore new ways of thinking about these groups of people More traditional perhaps are essays about work with neurological patients adolescent youth club members traumatised families and the chronically mentally ill Each essay breaks fresh ground in understanding the complexity of the problems and the richness of the counselling relationship In vivid narrative The Making of a Counsellor conveys the experience of thinking and working as a counsellor The original and thoughtful essays make this an invaluable source of ideas and techniques *The Law and Child Development* Mavis Maclean,2017-03-02 This volume asks what legal and socio legal scholarship can contribute to understanding the role of law in the care and development of children The editors have selected key articles ranging from theoretical analysis to empirical data based research that address the law s approach in the United States and the United Kingdom to resolving parenting disputes after separation protecting children from abuse and neglect and affording children procedural protections in the juvenile justice system Their introduction to these important and often distressing areas of the law confirms the importance of understanding how law works in practice and reaffirms that law itself remains responsible for articulating and protecting society s values **Marriage Counselling in the Community** W. L. Herbert, F. V. Jarvis,2013-10-22 Marriage Counselling in the Community is a theoretical and practical introduction to the subject of marriage counseling and aims to help people faced with marital problems using the method of social casework Aside from discussing relationships in marriage this book considers the relationship between counselor and client areas of treatment and approach to treatment It also looks at some situations in which a successful outcome in helping the marriage is less likely This book is comprised of 11 chapters and opens with an overview of the dynamics of relationships within the marriage and how such relationships within the family group affect the children The following chapters focus on

human relationships especially their origins in the group normally the family group their fundamental contribution to the development of the individual including his ability to mature emotionally and the effects of such relationships and the understanding of them in the field of marriage counseling The reader is also introduced to how the marriage counselor's understanding of relationships is put to use in practice The final chapter deals with some of the principal people and agencies to which and from which wives and husbands with problems tend to be referred This monograph will be a useful resource for marriage counselors and social caseworkers

Freud In The Emergency Department Felicity Doyle, Nick

Low, 2014-05-14 This is a Freudian examination of the interpersonal factors involved in Accident and Emergency Department work The meeting of people immediately results in a deep and complex interaction which reflects much of their respective psychological life history The particular reaction between patient and staff sometimes makes working in an Emergency Department extremely stressful thus adding to the existing pressure of the responsibility and complexity of the task It is hoped that this psychodynamic appreciation whose authors have a background in medical practice and criminology will enable staff to take a step back from and understand the stress of the moment

Children's Rights Ursula Kilkelly, Laura

Lundy, 2017-07-05 The articles in this volume shed light on some of the major tensions in the field of children's rights such as the ways in which children's best interests and respect for their autonomy can be reconciled challenges such as how the CRC can be made a reality in the lives of children in the face of ignorance apathy or outright opposition and critiques whether children's rights are a Western imposition or a successful global consensus Along the way the writing covers a myriad of issues encompassing the opposition to the CRC in the US gay parenting Dr Seuss's take on children's autonomy the voice of neonates on their health care the role of NGO in supporting child labourers in India and young people in detention and more

Catherine the Great Simon Dixon, 2015-10-23 Neither a comprehensive life and times nor a conventional biography this is an engaging and accessible exploration of rulership and monarchical authority in eighteenth century Russia Its purpose is to see how Catherine II of Russia conceived of her power and how it was represented to her subjects Simon Dixon asks essential questions about Catherine's life and reign and offers new and stimulating arguments about the Enlightenment the power of the monarch in early modern Europe and the much debated role of the great individual in history
