Meierding, 2020-05-15 Do countries fight wars for oil Given the resource's exceptional military and economic importance most people assume that states will do anything to obtain it Challenging this conventional wisdom The Oil Wars Myth reveals that countries do not launch major conflicts to acquire petroleum resources Emily Meierding argues that the costs of foreign invasion territorial occupation international retaliation and damage to oil

company relations deter even the most powerful countries from initiating classic oil wars Examining a century of interstate violence she demonstrates that at most countries have engaged in mild sparring to advance their petroleum ambitions The Oil Wars Myth elaborates on these findings by reassessing the presumed oil motives for many of the twentieth century s most prominent international conflicts World War II the two American Gulf wars the Iran Iraq War the Falklands Malvinas War and the Chaco War These case studies show that countries have consistently refrained from fighting for oil Meierding also explains why oil war assumptions are so common despite the lack of supporting evidence Since classic oil wars exist at the intersection of need and greed two popular explanations for resource grabs they are unusually easy to believe in The Oil Wars Myth will engage and inform anyone interested in oil war and the narratives that connect them Blackwood's Magazine ,1913 *Fortune and Glory: A Treasure Hunter's Handbook* David McIntee,2016-01-20 So you have decided to give up the rat race for the life of an international treasure hunter but you are not quite sure where to start Well then this book is for you Fortune and Glory tells you all you need to know in order to set off on an epic quest for the great lost treasures of history Starting with a quick exploration of the history of treasure hunting and a look at the gear that you will need it then delves into a survey of the lost treasures that are out there just waiting to be claimed Continent by continent the book covers the legends of hidden locations like El Dorado and King Solomon s Mines as well as covering the most illustrious lost artifacts such as the Holy Grail the Hanjo Masamune and the Irish Crown Jewels If your interest lies with the loot rather than the history the book also discusses Nazi gold pirate treasure and the treasure hordes of the Copper Scrolls This book is your first step towards becoming the pistol toting fedora wearing international tomb robber and treasure hunter you ve always dreamt of being *Passport to the Past: Embark on an Exciting Journey through History* Pasquale De Marco,2025-07-17 Passport to the Past is an enthralling journey through the tapestry of human history inviting readers to explore the wonders trials and mysteries that have shaped our world This captivating book delves into the depths of ancient civilizations revealing their secrets and marvels from the architectural wonders of the pyramids to the ingenious inventions of early societies As we traverse the corridors of time we encounter iconic historical figures who left an indelible mark on humanity From the military prowess of Alexander the Great to the scientific brilliance of Marie Curie these individuals stories ignite our imagination and inspire us to reach for greatness We ll also encounter enigmatic mysteries that continue to puzzle experts such as the disappearance of Amelia Earhart and the secrets hidden within the Voynich Manuscript Passport to the Past doesn t shy away from the darker aspects of history We ll delve into the horrors of war the struggles for justice and equality and the devastating impact of natural disasters Yet amidst the challenges we ll discover stories of resilience courage and the unyielding human spirit that has triumphed over adversity time and again This comprehensive and engaging book is a must read for anyone fascinated by the past With its vivid storytelling thought provoking insights and stunning visuals Passport to the Past will transport readers to different eras and cultures leaving them with a deeper understanding of the
