Siren Years:

The Siren Years Charles Ritchie, 2011-10-05 Charles Ritchie one of Canada's most distinguished diplomats was a born diarist a man whose daily record of his life is so well written that it leaps from the page In wartime England Ritchie as Second Secretary at the Canadian High Commission served as private secretary to Vincent Massey whose second in command was Lester B Pearson future prime minister of Canada In a perfect position to observe both statecraft and the London social whirl that continued even during the war Ritchie provides a fascinating perceptive and surprisingly humorous picture of the London Blitz the people in the parks the shabby streets the heightened love affairs and the vagaries of the British at war There are also glimpses of the great and portraits of noted artists and writers that he knew well A vivid document of a period and a wonderful piece of writing *The Siren Years* has become a classic *LEAA Police Equipment Survey of 1972: Sirens and emergency warning lights*, 1975 **NBS Special Publication**, 1918 *The Early Years Communication Handbook* Janet Cooper, 2013-09-05 A comprehensive and practical guide to creating a communication friendly setting and improving young children's speaking and listening skills This easy to read title offers expert advice on delivering high quality language provision for babies toddlers and young children creating a communication friendly environment and observing listening and speaking skills what children should be attaining at different stages including the under threes *The Love-charm of Bombs* Lara Feigel, 2013-07-09 A portrait of World War II era London by five literary volunteers documents their experiences as ambulance drivers firefighters and other civilian aids through the course of a single night in September 1940 20 000 first printing *Annual Report of the New York Zoological Society* New York Zoological Society, 1919 *George Broomhall's Corn Trade News*, 1911 *Queen Bees* Siân Evans, 2016-09-08 ENORMOUS FUN GUARDIAN SO ENTERTAINING THE TIMES GOSSIPY LIGHT AND FUN TLS *Queen Bees* looks at the lives of six remarkable women who made careers out of being society hostesses including Lady Astor who went on to become the first female MP and Mrs Greville who cultivated relationships with Edward VII as well as Lady Londonderry Lady Cunard Laura Corrigan and Lady Colefax Written with wit verve and heart *Queen Bees* is the story of a form of societal revolution and the extraordinary women who helped it happen In the aftermath of the First World War the previously strict hierarchies of the British class system were weakened For a number of ambitious spirited women this was the chance they needed to slip through the cracks and take their place at the top of society as the great hostesses of the time In an age when the place of women was uncertain becoming a hostess was not a chore but a career choice and though some of the hostesses backgrounds were surprisingly humble their aspirations were anything but During the inter war years these extraordinary women ruled over London society from their dining tables and salons entertaining everyone from the Mosleys to the Mitfords from millionaires to maharajahs from film stars to royalty and their influence can still be felt today *People, Politics, and Purpose* Greg Donaghy, P. Whitney Lackenbauer, 2023-02-15 Biography is not on the periphery of history but in the middle of

it historian Peter Waite astutely remarked *People Politics and Purpose* brings the historian's myriad tools to bear on Canadians from prime ministers to lumberjacks to Indigenous leaders Drawing on the rich details of biography the what the contributors also address the larger questions of motivation the so what that drive history In the process they prove the value of analyzing both macro and micro dynamics within Canadian politics and society to illuminate the roles of political actors As such the biographies in *People Politics and Purpose* are not simply stories about the lives of individuals but critical reflections on subjects who are directly involved in and affected by politics in Canada This book makes for lively reading that stimulates fresh thinking about political biography and the direction of political history more generally **Elizabeth Bowen** Patricia Laurence, 2021-07-21 Elizabeth Bowen A Literary Life reinvents Bowen as a public intellectual propagandist spy cultural ambassador journalist and essayist as well as a writer of fiction Patricia Laurence counters the popular image of Bowen as a mannered reserved Anglo Irish writer and presents her as a bold independent woman who took risks and made her own rules in life and writing This biography distinguishes itself from others in the depth of research into the life experiences that fueled Bowen's writing her espionage for the British Ministry of Information in neutral Ireland 1940 1941 and the devoted circle of friends lovers intellectuals and writers whom she valued Isaiah Berlin William Plomer Maurice Bowra Stuart Hampshire Charles Ritchie Sean O Faolain Virginia Woolf Rosamond Lehmann and Eudora Welty among others The biography also demonstrates how her feelings of irresolution about national identity and gender roles were dispelled through her writing Her vivid fiction often about girls and women is laced with irony about smooth social surfaces rent by disruptive emotion the sadness of beleaguered adolescents the occurrence of cultural dislocation historical atmosphere as well as undercurrents of violence in small events and betrayal and disappointment in romance Her strong visual imagination so much a part of the texture of her writing traces places scenes landscapes and objects that subliminally reveal hidden aspects of her characters Though her reputation faltered in the 1960s 1970s given her political and social conservatism now readers are discovering her passionate and poetic temperament and writing as well as the historical consciousness behind her worldly exterior and writing
