Julia Alvarez

Sisters Of Salome:

Sisters of Salome Toni Bentley, 2002 **A Companion to Ancrene Wisse** Yoko Wada, 2010 Ancrene Wisse introduced through a variety of cultural and critical approaches which establish the originality and interest of the treatise **In the Name of Salome** Julia Alvarez, 2000-06-09 Original and illuminating The New York Times Book Review In her most ambitious work since In the Time of Butterflies Julia Alvarez tells the story of a woman whose poetry inspired one Caribbean revolution and of her daughter whose dedication to teaching strengthened another Camila Henriquez Urena is about to retire from her longtime job teaching Spanish at Vassar College Only now as she sorts through family papers does she begin to know the woman behind the legend of her mother the revered Salome Urena who died when Camila was three In stark contrast to Salome who became the Dominican Republic's national poet at the age of seventeen Camila has spent most of her life trying not to offend anybody Her mother dedicated her life to educating young women to give them voice in their turbulent new nation Camila has spent her life quietly and anonymously teaching the Spanish pluperfect to upper class American girls with no notion of revolution no knowledge of Salome Urena Now in 1960 Camila must choose a final destination for herself Where will she spend the rest of her days News of the revolution in Cuba mirrors her own internal upheaval In the process of deciding her future Camila uncovers the truth of her mother's tragic personal life and finally finds a place for her own passion and commitment Julia Alvarez has won a large and devoted audience by brilliantly illuminating the history of modern Caribbean America through the personal stories of its people As a Latina as a poet and novelist and as a university professor Julia Alvarez brings her own experience to this exquisite story Julia Alvarez's new novel Afterlife is available now The Lord Is My Shepherd Shirley Rocke, 1951 Brothers and sisters families and friends are you tired of living in the flesh Are you tired of life's ups and downs Are you ready to put God first in your life If you answered yes to these questions I believe it is time you rest in the Lord as your shepherd and submit yourself to God's authority God wants you to take his yoke For my yoke is easy and my burden is light Matthew 11:30 KJV In this book The Lord Is My Shepherd Shirley Rocke shares testimonies inspirational scriptures prayers poems and so much more Each chapter contains a subheading each chapter pertains to God's commands each chapter pertains to God's directions and each chapter pertains to God's instructions in the Bible Shirley Rocke was born in Belize British Honduras now known as Belize City Belize She is a retired early childhood teacher She lives in New York with her four children and seven grandchildren Shirley Rocke wrote this book because God gave her a vision based on the Twenty-third Psalm along with his instructions to bring this book to fruition Someone once said Life is what you make it but what he or she failed to say was we cannot make life without the Lord as our shepherd **Shakespeare's Sisters** Ramie Targoff, 2024-03-12 THE NEW YORK TIMES BOOK REVIEW EDITORS CHOICE A BOSTON GLOBE BEST BOOK OF THE YEAR This remarkable work about women writers in the English Renaissance explodes our notion of the Shakespearean period by drawing us into the lives of four women who were committed to their

craft long before anyone ever imagined the possibility of a room of one's own In an innovative and engaging narrative of everyday life in Shakespeare's England Ramie Targoff carries us from the sumptuous coronation of Queen Elizabeth in the mid sixteenth century into the private lives of four women writers working at a time when women were legally the property of men Some readers may have heard of Mary Sidney accomplished poet and sister of the famous Sir Philip Sidney but few will have heard of Aemilia Lanyer the first woman in the seventeenth century to publish a book of original poetry which offered a feminist take on the crucifixion or Elizabeth Cary who published the first original play by a woman about the plight of the Jewish princess Mariam Then there was Anne Clifford a lifelong diarist who fought for decades against a patriarchy that tried to rob her of her land in one of England's most infamous inheritance battles These women had husbands and children to care for and little support for their art yet against all odds they defined themselves as writers finding rooms of their own where doors had been shut for centuries Targoff flings those doors open revealing the treasures left by these extraordinary women in the process she helps us see the Renaissance in a fresh light creating a richer understanding of history and offering a much needed female perspective on life in Shakespeare's day Lean on God the Yuletide Way

Shirley Rocke, Brothers sisters families and friends let us lean on God the yuletide way and let us listen keenly to what he says After all God lived within our hearts to give us a brand new start All we need to do is come to God by faith but please do not hesitate God wants us to lean on him now because God has chosen us anyhow So brothers sisters families and friends let us lean on God the yuletide way but let us lean not unto thine own understanding Proverbs 3:5 KJV In this book Lean on God the Yuletide Way Shirley Rocke shares the many reasons why we should lean on God the yuletide way Shirley Rocke shares the many reasons why we should adhere to God's commands directions and instructions in the Bible Shirley Rocke also shares inspirational scripture references testimonies poems hymns reflections and charismatic questions Each chapter contains a compassionate prayer for those who are living with illnesses and for the catastrophes of this world Someone once said Life is what you make it but what he or she failed to say is that we cannot make life without the lord and savior Jesus Christ

Common Bodies Maaïke de Haardt, Anne-Marie Korte, 2002 The gendered body in its common everyday activities and references is the central focus of this book Recognizing the highly abstract and often disembodied character of contemporary discussions on the body in relation to gender subjectivity and discourse the authors of this anthology start their inquiries at a more mundane level by studying common bodies human bodies and bodily practices in daily situations of domestic work and care of sex love and violence and of prayer and ritual From this angle of corporeal agency they discuss the meaning of religion religiosity transcendence and or Divinity

Twang: A Novel John Schlimm, 2011-06 In TWANG a novel former Country Music publicist John Schlimm peels back the industry crafted cliché of Nashville and its beloved superstars He takes readers backstage of the sold out concerts inside the homes and heads of Nashville's elite and introduces them to a side of show business that has yet to be revealed Readers are whisked away on a wild ride to a

provocative and quirky place with fictional characters who seem strikingly familiar and who will leave the readers shocked titillated laughing and realizing that the real world of Country Music is far more compelling and scandal ridden than they could ever have imagined

Digging for History at Old Washington Mary L. Kwas,2009-01-01 Positioned along the legendary Southwest Trail the town of Washington in Hempstead County in southwest Arkansas was a thriving center of commerce business and county government in the nineteenth century Historical figures such as Davy Crockett and Sam Houston passed through and during the Civil War when the Federal troops occupied Little Rock the Hempstead County Courthouse in Washington served as the seat of state government A prosperous town fully involved in the events and society of the territorial antebellum Civil War and Reconstruction eras Washington became in a way frozen in time by a series of events including two fires a tornado and being bypassed by the railroad in 1874 Now an Arkansas State Park and National Historic Landmark Washington has been studied by the Arkansas Archeological Survey over the past twenty five years Digging for History at Old Washington joins the historical record with archaeological findings such as uncovered construction details evidence of lost buildings and remnants of everyday objects Of particular interest are the homes of Abraham Block a Jewish merchant originally from New Orleans and Simon Sanders from North Carolina who became the town s county clerk The public and private lives of the Block and Sanders families provide a fascinating look at an antebellum town at the height of its prosperity

The Three Pillars Barbara J. Sivertsen,2010-05-10 The Three Pillars How Family Politics Shaped the Earliest Church and the Gospel of Mark examines how family relationships played a key role in the earliest Christian church By disentangling the two disparate genealogies of Jesus the author reconstructs the families of Joseph and Mary Presented here for the first time is the full ancestry of Jesus mother Mary who was descended from the anti Hasmonean high priest Alcimus The author suggests that Mary and her daughter Mary played a hitherto unrecognized role in the church s earliest leadership struggle and that a composite of these two women not Mary Magdalene was the basis for the Gnostic Mary of later Christian works The author next explores how this early leadership conflict shaped the Gospel of Mark which she argues was written by Peter s son She discusses Mark s footprint in this Gospel and how Mark s resentment of the relatives of Jesus his ambivalence toward his father and his anger at the disciples for ceding leadership to these relatives is at the heart of some of the most distinctive features of the Second Gospel features that have perplexed biblical scholars and laymen for centuries The last section examines the mysterious Beloved Disciple in the Gospel of John The author concludes that the many unlikely elements in the account of the arrest and interrogation of Jesus can only be explained by seeing the Beloved Disciple as a close relative of the high priest Caiaphas and that this family relationship was crucial to the protection of the early Christians in Jerusalem The book s final chapter offers reflections on how kinship played an important role in Jesus ministry and how the high priestly leadership responded to him in part because of his family lineage

The Search Harvey Meredith,2016-07-06 This story is an insight into the views and understandings of someone raised in a strict Catholic family

forced to learn a religion at the earliest age This study was undertaken after a near lifetime of reflection upon the beliefs and the basis of his religious teachings This exercise in researching the teachings of the Catholic Church and Christian religion in general exposes the triangle of fear guilt and doubt about the religion driven from Rome that has cemented his personal beliefs Living through the jungle of regimented hypocrisy lemming like beliefs and teaching tactics has provided the incentive to personally investigate the subject of Christian religion and to learn as much as possible about the subject that has survived nearly two thousand years Sands & Sparrow Aeon Gray,2024-09-16 Margo Sinclair has lived for centuries cursed with immortality after an ancient ritual went wrong Once a revered Elydian Queen now she is a mysterious figure lurking in the shadows of high society wealthy powerful and untouchable With a heart hardened by centuries of loss Margo has one rule never get close to anyone Mortals are fleeting destined to die leaving her alone every time To distract herself from the loneliness that gnaws at her soul Margo has taken up a dark hobby hunting and eliminating criminals and society's lowest scum dispensing her brand of justice in the shadows It's the only thing that gives distraction allowing her to channel her centuries of anger and frustration But when Margo meets Aveline a resilient and unapologetic sex worker shunned by society her carefully constructed walls begin to crack Aveline is everything Margo isn't fearless in her vulnerability living life with a boldness Margo has long forgotten Drawn to her in ways she can't explain Margo faces a dilemma stay distant and continue her endless empty existence or risk the agony of loss for a love that could finally make her feel alive again As Margo grapples with her growing connection to Aveline she must confront the demons of her past and the question that haunts her immortality Is love worth the pain of inevitable loss And can someone who has only known solitude truly open her heart when eternity is the price **A suggestive commentary on the New Testament.
