Sitting Bull An Epic Of The Plains

Dee Brown

Sitting Bull An Epic Of The Plains:

Sitting Bull Alexander B. Adams,1975 *Sitting Bull* Stanley Vestal,2014-12-17 If that is Long Hair I am the one who killed him White Bull the young nephew of Sitting Bull said when Bad Juice pointed out Custer s body immediately after the Battle of the Little Big Horn Yet it was Sitting Bull who acquired the notoriety and was paraded in Buffalo Bill s Wild West Show as the warrior who killed Custer But this new edition of Stanley Vestal s classic biography of the famous chief emphasizes that Sitting Bull s fame does not rest upon the death of Custer s five troops Had he been twenty miles away shooting antelope that morning he would still remain the greatest of the Sioux The stirring account of the death throes of a mighty nation and its leader is the story of the greatest of the Sioux and his struggle to keep his people free and united The Sioux were formidable warriors as attested to by men who fought against them like General Anson Mills who said They were the best cavalry in the world their like will never be seen again but they were up against an overwhelming tide of soldiers homesteaders and bureaucrats Sitting Bull fought long and hard and He was a statesman one of the most farsighted we have had but statesmanship could not prevail against such odds This powerful biography of Sitting Bull is brought to a new generation of readers in h a new and expanded edition for much new material had been added to the original edition published in 1932 that could not be disclosed while the informants were still living Sitting Bull is a moving account of the epic courage of one man in the face of his inevitable defeat as the last defender of his people s rights **Sitting Bull** Alexander B. Adams,1974 *The Biography Book* Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals *A Patriot's History of the United States* Larry Schweikart,Michael Allen,2014-11-25 Revised and updated this 15th anniversary edition of the 1 New York Times bestseller salutes America s true and proud history Fifteen years ago Professors Larry Schweikart and Michael Allen set out to correct the doctrinaire biases that had distorted the way America s past is taught and they succeeded A Patriot s History of the United States is the definitive objective history of our country presented honestly and fairly Schweikart and Allen don t ignore America s mistakes through the years Instead they put them back in the proper perspective celebrating the strengths of the men and women who cleared the wilderness abolished slavery and rid the world of fascism and communism Now in this revised fifteenth anniversary edition a new generation of readers will learn the truth about America s discovery founding and advancement

from Columbus's voyage to Trump's promise to Make America Great Again American Frontiers Gregory H. Nobles, 1997 Now available in a paperback edition AMERICAN FRONTIERS is a perceptive account of this country's geopolitical developments and diverse frontier cultures With clarity and intellectual vigor Gregory H Nobles shows us not only the culture and social composition of the West but also the centuries of expansion and conquest all over the continent that created our nation as we know it today A Companion to Custer and the Little Bighorn Campaign Brad D. Lookingbill, 2019-09-18 An accessible and authoritative overview of the scholarship that has shaped our understanding of one of the most iconic battles in the history of the American West Combines contributions from an array of respected scholars historians and battlefield scientists Outlines the political and cultural conditions that laid the foundation for the Centennial Campaign and examines how George Armstrong Custer became its figurehead Provides a detailed analysis of the battle maneuverings at Little Bighorn paying special attention to Indian testimony from the battlefield Concludes with a section examining how the Battle of Little Bighorn has been mythologized and its pervading influence on American culture **Professional Journal of the United States Army** , 1973 *The Custer Reader* Paul Andrew Hutton, 2004 Here is Custer as seen by himself his contemporaries and leading scholars Combining first person narratives essays and photographs this book provides a complete introduction to Custer's controversial personality and career and the evolution of the Custer myth *Today is a Good Day to Fight* Dr Mark Felton, 2009-04-01 Blood guts dust and hatred the real history of the American West Today is a Good Day to Fight covers the period from the initial penetration of the region by settlers and prospectors in the 1840s until the end of the Indian Wars in the 1890s It explains the history of white Indian conflict from the military point of view showing how the United States used its army to wage terrible wars of conquest upon Native American peoples in order to take the land from them and enrich the growing nation and how the Indians never really stood a chance in trying to defend their homelands Highlighting the fractious and bitter relations between tribes unable and unwilling to unite in time to stave off their common enemy it tries to portray the utter bitterness of the conflict between white and Indian and how both sides resorted to increasingly foul acts of war and slaughter as the conflict progressed A dirty underhanded and scrappy conflict the outrages committed by both sides fuelled bitterness and resentment that still exists in America today **Military Review** , 1973 **Quarterly Review of Military Literature** , 1973 The Westerners Dee Brown, 1974 **Sitting Bull Speaks** Brad Lookingbill, 2025-09-22 Sitting Bull is arguably one of the best known Native American leaders and his life has been extensively documented In Sitting Bull Speaks Brad Lookingbill doesn't aim to retell these familiar stories Instead he allows Sitting Bull to speak for himself Drawing from various archives and sources the book weaves a compelling and well researched narrative centered on Sitting Bull's own words and thoughts Lookingbill introduces each document with thoughtful commentary guiding the reader through the historical context Though the title Sitting Bull Speaks echoes that of Neihardt's classic Black Elk Speaks this work goes further by presenting an authentic account of Sitting Bull's voice It offers

a deeper understanding not only of the man himself but also of the Lakota world in which he lived Rani Henrik Andersson University of Helsinki

Indians of the Plains Robert Harry Lowie, 1982-01-01 First published in 1954 Robert H Lowie's Indians of the Plains surveys in a lucid and concise fashion the history and culture of the Indian tribes between the Mississippi and the Rocky Mountains The author visited various tribes from 1906 to 1931 observing them carefully participating in their lifeways studying their languages and listening to their legends and tales After a half century of study Lowie wrote this book praised by anthropologists as the synthesis of a lifetime's work A preface by Raymond J DeMallie situates the book in the history of American anthropology and describes information and changes in interpretation that have emerged since Indians of the Plains first appeared Research Guide to American Historical Biography Suzanne Niemeyer, 1988 Description and evaluation of the most important secondary and primary sources for 452 American historical figures in all five volumes T p verso v 5 *Biographical Books, 1950-1980* R.R. Bowker Company. Department of Bibliography, 1980 Great Lives from History Frank Northern Magill, 1987 A five volume set of biographical sketches arranged alphabetically of some 400 Americans presenting their contributions and impact on United States history and development and including individual bibliographies *The Fatal Environment* Richard Slotkin, 2024-01-23 A two time National Book Award finalist's ambitious and provocative look at Custer's Last Stand capitalism and the rise of the cowboys and Indians legend The New York Review of Books In *The Fatal Environment* historian Richard Slotkin demonstrates how the myth of frontier expansion and subjugation of Native Americans helped justify the course of America's rise to wealth and power Using Custer's Last Stand as a metaphor for what Americans feared might happen if the frontier should be closed and the savage element be permitted to dominate the civilized Slotkin shows the emergence by 1890 of a mythos redefined to help Americans respond to the confusion and strife of industrialization and imperial expansion A clearly written challenging and provocative work that should prove enormously valuable to serious students of American history The New York Times An arresting hypothesis Henry Nash Smith American Historical Review

Historic World Leaders: North & South America (M-Z) Anne Commire, 1994 This is volume five in a five volume biographical resource which presents the lives times and significant contributions of social political and religious leaders from earliest recorded times to the present both the best known and lesser known figures This particular volume deals with the United States Canada and South and Latin America
