*Ghosts and Legends of Northeast South Dakota* Deborah Cuyle, 2024-07-29 Ghouls of the Glacial Lakes and Prairie Region Buried in the annals of the region are torrid tales disasters and the unexplained At historic Fort Sisseton the old hanging tree and a phantom buffalo soldier are just a few of its spectral stories Partygoers from over a century ago still linger at Aberdeen s Easton Castle De Smet s historic Laura Ingalls Wilder homestead attracts thousands of visitors annually many unaware of its familial spirits Locals in Watertown still debate whether the apparition at the Goss Opera House is that of a traveling performer named Annie or murder victim Maud Alexander who was set on fire by her own son Victims of a 1940 train wreck between Milbank and Marvin seemingly never left the scene of the accident And Captain Luff of The Muskegon disaster can be seen mourning on the banks of Big Stone Lake Author Deborah Cuyle chronicles the area s most fascinating and perplexing lore Deformities, including diseases of the bones and joints v.2 Alfred Herbert Tubby, 1912

**The Journal of American Folklore**, 1888      **A Manual of Midwifery** Karl Schroeder, 1878      *The Ten Grandmothers* Alice Lee Marriott, 1945 Once in a blue moon which means a fairly long cycle in my case one who deals professionally with new books comes upon something that seems to him truly noteworthy and memorable a reading experience which he will cherish for the rest of his life And when this book is original and indeed unique when it achieves something that has never been done before one s impulse is to rent a billboard to hire a hall in some way to underline and emphasize the excitement and enthusiasm of his discovery so that other readers may share his pleasure This has been my experience with *The Ten Grandmothers* by Alice Marriott It was the custom of certain tribes of Indians of the Great Plains to keep a winter count or calendar of important events Each year an officially designated scribe or historian of the tribe inscribed on a specially selected and prepared buffalo hide which was a sacred tribal possession a colored pictograph commemorating the most noteworthy event of the year the happening or circumstance for which the year would be remembered in the oral literature and traditions of the tribe Miss Marriott s book is based upon such a tribal history of the Kiowas an important and tenacious nation of the southern Great Plains for more than a hundred years She has taken representative incidents from this story and built each into a unified narrative of personal experience concrete and dramatic The thirty three narratives fall into four groups reflecting the major phases of Kiowa history in the last century they are called since Kiowa economy was based on the buffalo The Time When There Were Plenty of Buffalo The Time When Buffalo Were Going The Time When Buffalo Were Gone and Modern Times Since the same characters appear recurringly the book has the effect of a loosely constructed novel Miss Marriott is an ethnologist Her book is based on eight years of work with the Kiowas work that certainly consisted of much more than superficial interviews with aged Indians There is evidence everywhere not only of accurate scientific knowledge of the material to be presented but of profound human insight and understanding Miss Marriott is also a creative artist of extraordinary powers Her book has abundant humor drama and melodrama beauty and sordidness pathos and tragedy all

presented sharply objectively with economy restraint and dignity The narrative of the long journey of Wooden Lance to see for himself and for his tribe whether the leader of the Ghost Dance movement that inspired the last desperate irrational struggle of the plains Indians against the whites had true power is unforgettable in its simplicity and reality The story of the Kiowa girl Leah s return from her years at a boarding school in the East to her family on the reservation is as true and socially significant as it is poignant and dramatic The great achievement of Miss Marriott s book is that it makes accessible to the reader of today the essence of a culture a way of life and thought now almost vanished from the earth We have an uneasy feeling that some special meaning and value for Americans of today and tomorrow must lie in the older cultures of our continent which our own has so largely displaced American writers from Longfellow on have tried with varying degrees of success to capture that meaning for us Miss Marriott s book shows that our feeling was justified No discerning reader will fail to find in the men and women who are so vivid in its pages Sitting Bear and Eagle Plume old Quannah and Spear Woman and the Kiowa boys riding in their jeep to enlist for the present World War in their vision and knowledge of life and their essential experience abundant meaning for today *Annual Report of the Bureau of American Ethnology to the Secretary of the Smithsonian Institution* ,1881 Annual report of the Bureau of ethnology to the Secretary of the Smithsonian Institution
