Shevlin, 2017-03-02 Influenced by Enlightenment principles and commercial transformations the history of the book in the eighteenth century witnessed not only the final decades of the hand press era but also developments and practices that pointed to its future the foundations of modern copyright a rapid growth in the publication circulation and reading of periodicals the promotion of niche marketing alterations to distribution networks and the emergence of the publisher as a central figure in the book trade to name a few The pace and extent of these changes varied greatly within the different sociopolitical contexts across the western world The volume's twenty-four articles many of which proffer broader theoretical implications beyond their specific focus highlight the era's range of developments Complementing these articles the introductory essay provides an overview of the eighteenth-century book and milestones in its history during this period while simultaneously identifying potential directions for new scholarship *The Guild Book of the Barbers and Surgeons of York (British Library, Egerton MS 2572)* Richard D. Wragg, 2021 A new exploration of the secular manuscripts and medieval medical texts associated with the York Guild and its members Produced in 1486 and subsequently augmented the Guild Book of the Barbers and Surgeons of York British Library Egerton MS 2572 is a unique record of the knowledge ambitions activities and civic relationships maintained by the Barbers and Surgeons Guild over a period of 300 years The manuscript's earliest folios contain images astrological tracts a plague treatise and a bloodletting poem To these were added early modern ordinances and oaths a series of royal portraits and the names of the Guild's masters and apprentices It is a rare survival of late medieval medical knowledge placed within a civic context This new multi-disciplinary examination of the York Guild Book presents a comprehensive edition of its content and a detailed study of the creation and use of this fascinating manuscript The York Guild Book was not owned by any one person but was intended to be representative of the types of manuscripts the Guild's members might have individually possessed The Guild's commission elevated their manuscript's functional content into something which could be proudly owned and displayed as is demonstrated by the stylishly executed pen and ink drawings two of which are possibly unique Through a contextualisation of the form and content of the manuscript the book articulates ideas about material culture and the ceremonial role of secular manuscripts whilst shedding new light on the dissemination and status of medieval medical texts **The Cambridge Companion to Fiction in the Romantic Period** Richard Maxwell, Katie Trumpener, 2008-02-21 While poetry has been the genre most closely associated with the Romantic period the novel of the late eighteenth and early nineteenth centuries has attracted many more readers and students in recent years Its canon has been widened to include less well-known authors alongside Jane Austen Walter Scott Maria Edgeworth and Thomas Love Peacock Over the last generation especially a remarkable range of popular works from the

period have been re discovered and reread intensively This Companion offers an overview of British fiction written between roughly the mid 1760s and the early 1830s and is an ideal guide to the major authors historical and cultural contexts and later critical reception The contributors to this volume represent the most up to date directions in scholarship charting the ways in which the period s social political and intellectual redefinitions created new fictional subjects forms and audiences

Print Culture, Agency, and Regionality in the Hand Press Period Rachel Stenner,Kaley Kramer,Adam James Smith,2022-04-06 Print Culture Agency and Regionality in the Hand Press Period illuminates the diverse ways that people in the British regional print trades exerted their agency through interventions in regional and national politics as well as their civic commercial and cultural contributions Works printed in regional communities were a crucial part of developing narratives of local industrial technological and ideological progression By moving away from understanding of print cultures outside of London as provincial however this book argues for a new understanding of region as part of a network of places emphasising opportunities for collaboration and creation that demonstrate the key role of regions within larger communities extending from the nation to the emerging sense of globality in this period Through investigations of the men and women of the print trades outside of London this collection casts new light on the strategies of self representation evident in the work of regional print cultures as well as their contributions to individual regional identities and national narratives

Street Ballads in Nineteenth-Century Britain, Ireland, and North America David Atkinson,Steve Roud,2016-04-01 In recent years the assumption that traditional songs originated from a primarily oral tradition has been challenged by research into street literature that is the cheap printed broadsides and chapbooks that poured from the presses of jobbing printers from the late sixteenth century until the beginning of the twentieth Not only are some traditional singers known to have learned songs from printed sources but most of the songs were composed by professional writers and reached the populace in printed form Street Ballads in Nineteenth Century Britain Ireland and North America engages with the long running debate over the origin of traditional songs by examining street literature s interaction with and influence on oral traditions

[The Cambridge History of the Book in Britain](#) Richard Gameson,Nigel J. Morgan,D. F. McKenzie,Lotte Hellinga,Rodney M. Thomson,John Barnard,Joseph Burney Trapp,Maureen Bell,David McKitterick,1999 Volume 4 of The Cambridge History of the Book in Britain covers the years between the incorporation of the Stationers Company in 1557 and the lapsing of the Licensing Act in 1695 In a period marked by deep religious divisions civil war and the uneasy settlement of the Restoration printed texts important as they were for disseminating religious and political ideas both heterodox and state approved interacted with oral and manuscript cultures These years saw a growth in reading publics from the developing mass market in almanacs ABCs chapbooks ballads and news to works of instruction and leisure Atlases maps and travel literature overlapped with the popular market but were also part of the project of empire Alongside the creation of a literary canon and the establishment of literary publishing there was a tradition of dissenting publishing while women s writing and reading

became increasingly visible **Samuel Pepys and his Books** Kate Loveman, 2015-06-12 Samuel Pepys was a great collector of books news and gossip This study uses his surviving papers to examine reading practices collecting and the exchange of information in the late seventeenth century Offering the first extensive history of reading during the Restoration it traces developments in the book trade and news transmission at a time when England was the scene of dramatic political and religious upheavals The investigation goes beyond Pepys s famous diary of the 1660s employing a variety of sources to explore the role that reading played in Pepys s life and in the lives of his contemporaries It begins by examining what it meant to be a reader in Restoration London the skills the people and the places involved Pepys s wide ranging interests serve as starting points for considering news exchange and the reception of major literary genres in the Restoration Particular attention is given to conduct books histories religious works and recreational reading romances drama and novels The appeal that these works held for readers was not always what we might expect or indeed what the authors and publishers had expected Additional chapters explore the social interactions surrounding information gathering the ways people acquired oral and written news in London the experience of book buying and the acquisition of manuscript and print through social networks Analysed alongside other records Pepys s papers provide unrivalled insights into literary and cultural developments in the second half of the seventeenth century Antiquarian Book Monthly Review ,1991
