Six Modern Authors and Problems of Belief Patrick Grant, 1979-06-17 **The Modernist Self in Twentieth-Century English Literature** Dennis Brown, 1989-05-15 An exploration of how key modern writers challenged conventional ways of characterizing selfhood thus developing a discourse expressive of the subtleties of experience in a post Freudian world long before the self representation theories of the post structuralists and post modernists **Hymns and the Christian Myth** Lionel Adey, 2011-11-01 From its beginnings in the Bible Christian hymnology has fulfilled three functions praise recital and teaching of the Myth and collective and personal adoration as well as the foundation and worship of the church In Hymns and the Christian Myth Lionel Adey demonstrates that over the centuries shifts emphasizing particular elements of the Christian faith accord with the interests and concerns of the times in which the hymns were composed Using a broad range of texts Adey deals with major themes of every period from biblical times to the early twentieth century In tracing the changes in representation of the Father Son Holy Spirit and Four Last Things in early and medieval Latin hymns post Reformation chorales and psalm based hymns and English hymns from the time of Watts the book shows an increasing sense of personal response to the Incarnation and Passion of Christ and of participation in His redemptive work Chapters on hymnody of the Nativity and Passion illustrate the tendency of monastic poets the Learned tradition to focus on dogma mystery and paradox and carolists the Popular tradition to convey devotional tenderness Those on hymnody of the Holy Spirit illustrate a shift through the medieval period from representing pentecostal events to exploring their spiritual meaning During the Reformation and the Evangelical Revival the weight of hymnody shifts first to the Father and then to the Son s Passion and Atonement applied personally and inwardly re lived by the convert Most consistently hymnic representations of the Last Things shift their focus from collective to individual judgement from death as sleep until the general awakening to death as instant passage to reunion with family and friends As a hymnologist rather than a theologian Adey makes no pronouncements on the truth of Christian beliefs His focus is on how poets have expressed them over two millenia As such the book will interest not only students of religion but also those in such related disciplines as literature psychology history and sociology *Literature of Mysticism in Western Tradition* P. Grant, 1983-09-01 **Personalism and the Politics of Culture** P. Grant, 1996-10-02 This book deals with interrelationships between literature and religion to examine the idea of the person in relation to the politics of culture Throughout Patrick Grant maintains that ideology separates value from fact spirit from matter and this separation depersonalises In a series of chapters dealing with body city others freedom and transgression and through a selection of texts from the New Testament to the Northern Irish poets he shows how literature spirituality and postmodern culture might jointly liberate persons in a society committed to democratic process and socialist values **The Journal of Religion** , 1982 Includes section Book reviews **Critical Perspectives on Pat Barker** Sharon Monteith, 2005 These essays cover the work and career of Pat Barker providing insight into her novels

from Union Street 1982 through the Regeneration trilogy 1991-95 to Double Vision 2003 The essays are organized into Writing Working Class Women Dialogue under Pressure Men at War The Talking Cure and Regenerating the Wasteland

Literature and the Discovery of Method in the English Renaissance Patrick Grant, 1985-06-18 *The Role of Imagination in Culture and Society* Astrid Diener, 2013-07-22 Owen Barfield 1898-1997 philosopher, historian, and literary theoretician is well known for his friendship with C. S. Lewis. What is virtually unknown is that he was also admired and promoted by T. S. Eliot, who in the 1920s became his publisher at Faber and Faber. There can scarcely be two writers at greater variance than Lewis and Eliot that Barfield was admired by both showed that he was an independent thinker far more subtle and complex than has so far been recognized. Diener's book about Barfield's early work is the first systematic study to trace the roots and the development of his thought. It places Barfield in the tradition of British and European cultural and social critics including Coleridge, Arnold, Nietzsche, and Rudolf Steiner. In the light of this tradition, Barfield's work emerges as a unique and constructive contribution to twentieth-century thought. *Christian Fantasy* Colin N. Manlove, 1992-06-18 This is the first account of invented stories involving the Christian supernatural. In their development, a central concern is found to be the fantasy making human imagination itself at first seen as an obstacle to Christian purpose but more recently given freer rein.
