Slow Days Fast Friends

Erik Brooks

Slow Days Fast Friends:

Slow Days, Fast Friends Erik Brooks, 2005-01-01 Howard the cheetah loves being fast To him every day is a race and he always wins But when Howard hurts his leg and can't run the only animal he can keep up with is a sloth the slowest creature around How could anyone like being slow

Slow Days, Fast Company Eve Babitz, 2016-08-30 No one burned hotter than Eve Babitz Possessing skin that radiated its own kind of moral laws spectacular teeth and a figure that was the stuff of legend she seduced seemingly everyone who was anyone in Los Angeles for a long stretch of the 1960s and 70s One man proved elusive however and so Babitz did what she did best she wrote him a book *Slow Days Fast Company* is a full fledged and full bodied evocation of a bygone Southern California that far exceeds its mash note premise In ten sun baked Santa Ana wind swept sketches Babitz re creates a Los Angeles of movie stars distraught over their success socialites on three day drug binges holed up in the Chateau Marmont soap opera actors worried that tomorrow's script will kill them off Italian femmes fatales even more fatal than Babitz And she even leaves LA now and then spending an afternoon at the house of flawless Orange County suburbanites a day among the grape pickers of the Central Valley a weekend in Palm Springs where her dreams of romance fizzle and her only solace is Virginia Woolf In the end it doesn't matter if Babitz ever gets the guy she seduces us

Fast Friends Stuart Kaufman, 2005-02-25 FAST FRIENDS is the story of Dr Ernest Berger a college English professor and his pal Bobby Taylor a tennis player and playboy that takes place up in the woods of Vermont The novel would have to be considered a picaresque a tale of rogues and rascals and a recounting of their various adventures and incidents It is a series of incidents and episodes connected chronologically with little or no motivation or complication of plot it is simply a realistic unfolding of many lives their trials and tribulations and their ultimate redemption and salvation The book is about Dr Berger a frustrated married English professor and poet who is totally bored with teaching the rich progeny of America's finest families up in the green mountains of Vermont and longs to go out to Hollywood and become a scriptwriter and live the glamorous tabloid existence that he has dreamed of He loves his wife and young sons but is seduced by the flesh of many a young eager and confused coed And of course part of his dream is to be rich and cavort with Hollywood stars and leave the drab world of teaching behind The catalyst as it turns out is Mr Bobby Taylor a swinging handsome down to earth Vermonter who is a stark contrast to all the snobby snooty writers and artist types that people the world of the infamous Endington College in southern Vermont To Dr Berger his wife and young children Bobby is a breath of fresh air Then things begin to unravel and the dream goes through various cycles of destruction and disruption His odyssey finally comes full circle as Dr Berger learns many lessons about love and loss and battles desperately to regain the idyllic life that he gave away for a hollow fantasy
