MICHELE SLUNG

"A ground-breaking collection." —*COSMOPOLITAN*

Slow Hand Women Writing Erotica

Yijin Wang

Slow Hand Women Writing Erotica:

Slow Hand Michele B. Slung, 1992 *Slow Hand Women Writing Erotica* is an anthology of stories in which women artfully explore their own erotic terrain To create this newest of her popular anthologies Michele Slung challenged women straight and gay old and young journalists poets academics women whose job descriptions range from anthropologist to performance artist as well as professional novelists and short story writers to turn her on And from across the United States Canada and Great Britain a variety of daring and talented women hearing that she was putting together a book to reflect their most intimate sexual selves enthusiastically responded Michele Slung has collected the best of these pieces in *Slow Hand* offering page after page of tantalizing sensual adventure for our reading and feeling pleasure But whether the stories stay as close to home as a familiar partner's embrace or whether they move into the darker recesses of extraordinary desires and even more extraordinary experiences the special quality shared by these tales is their ability to seduce us So while the mood of this collection is indeed slow in all the right ways it's certain that your pulse will quicken **At Home with Pornography** Jane

Juffer, 1998 Juffer demonstrates how women's consumption of erotica and porn for their own pleasure can be empowering while simultaneously reinforcing conservative ideals She shows for instance how the Victoria's Secret catalog functions as a kind of pornography whose popularity is enhanced by both its reliance on Victorian themes of secrecy and privacy and by its appeals to the pleasures of modern career women In her pursuit to understand what women like and how they get it Juffer delves into adult cable channels erotic literary anthologies sex therapy guides cyberporn masturbation and sex toys showing the degrees to which these materials have been domesticated for home consumption **Loose Women, Lecherous Men**

Linda LeMoncheck, 1997 The author discusses methods for mediating the tensions among apparently irreconcilable feminist perspectives on women's sexuality and shows how a feminist epistemology and ethic can advance the dialogue in women's sexuality across a broad political spectrum *Before Pornography* Ian Frederick Moulton, 2000 *Before Pornography*

explores the relationship between erotic writing masculinity and national identity in Renaissance England Drawing on both manuscripts and printed texts and incorporating insights from modern feminist theory and queer studies the book argues that pornography is a historical phenomenon while the representation of sexual activity exists in nearly all cultures

pornography does not The book includes analyses of the social significance of eroticism in such canonical texts as Sidney's *Defense of Poesy* and Spenser's *Faerie Queene* **Is it Hot in Here? Or is it Me?** Pat Wingert, Barbara

Kantrowitz, 2006-01-01 It's not your mother's menopause Some women live through it and never miss a beat Others suffer so many symptoms severe hot flashes sleeplessness mood swings that they have trouble functioning But what all women have in common is a need to know what to expect and how to understand this phase for its inherent promise as a grand beginning to the second half of life By poring over the latest research interviewing doctors and scientists attending conferences and talking to other women Pat Wingert and Barbara Kantrowitz offer the everything you need to know guide to menopause **IS IT**

HOT IN HERE OR IS IT ME is accessible comprehensive practical reassuring scientific and written in the lively smart voice of friends helping friends First comes the overview the beginnings of menopause including why knowing if you re actually in menopause can be so tricky the stages of menopause and their typical duration the role of hormones and the viability of hormone therapy when and why to seek treatment the risks involved and a primer on pills creams patches shots and bioidenticals Then at the heart of the book two essential sections What You re Feeling Now which offers the relief of solid information on the symptoms of your menopausal life hot flashes insomnia mood swings bleeding memory loss and those inexplicable glitches in thinking that make you feel like a kid with ADD plus the comfort of advice on what to do And Staying Healthy Forever a jam packed guide to caring for your changing body It begins by trusting your knowledge of yourself then learning the things to do to ensure a long and healthy future one in which you look your best and feel your best No matter what your path through menopause the experience is one of great change and now for this great change great help

Sexidemic Lawrence R. Samuel, 2013-02-07 *Sexidemic* is the first real cultural history of sexuality in the United States since the end of World War II For a people who supposedly love sex the author argues Americans have had no shortage of problems with it Since the end of World War II in fact we ve had a contentious relationship with sexuality the subject a source of considerable tension and controversy on both an individual and societal level Rather than being a simple pleasure of life something to be enjoyed sex has served as a challenging and disruptive force in many Americans everyday lives for the last two thirds of a century Our love affair with sex has thus been a rocky one filled with bumps in the road that have caused major instability across our cultural landscape Our individualistic competitive consumerist and anxious national character is both reflected in and reinforced by this sexidemic something few have recognized or perhaps want to admit By charting the cultural trajectory of sex in America since the end of World War II *Sexidemic* reveals how the nation s continual woes with sexuality helped make us an anxious insecure people The sex lives of many perhaps most Americans have been in a perpetual state of crisis a constant source of concern We ve fretted over every dimension of it with problems in both quality and quantity With this unhealthy view of sexuality it was not surprising that we felt we needed a variety of potions and gadgets to make it happen or be pleasurable In tracing the cultural trajectory of sex in our society Samuel illustrates our bipolar approach to sexuality low libido and sex addiction emerged as common disorders and sex scandal after sex scandal has made headlines especially over the last couple of years Only money has surpassed sex as a source of stress for Americans indeed sex has come to be seen and treated as a commodity In this timely work the author traces the role sex plays in our society how it shapes us and the world around us and how we got where we are today in our views treatment and practice of sex and sexuality in our everyday lives

Sexuality and the Sacred James B. Nelson, Sandra P. Longfellow, 1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully

integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully

Encyclopedia of Feminist Literary Theory Elizabeth Kowaleski-Wallace, 2009-03-23 From the cutting edge to the basics The latest advances as well as the essentials of feminist literary theory are at your fingertips as soon as you open this brand new reference work It features in quick and convenient form precise definitions of important terms and concise summaries of the salient ideas of critics working in the field who have made significant contributions to feminist literary studies and points out how a feminist perspective has affected the development of emerging ideas and intellectual practices Every effort has been made to include as many feminist thinkers as possible Expanded coverage of key subjects Overview entries cover topics ranging from creativity beauty and eroticism topornography violence and war with a thorough exploration of the major theoretical points of feminist literary approaches and concerns In addition entries organized around literary periods and fields such as medieval studies Shakespeare and Romanticism survey subjects in the framework of feminist literary theory and feminist concerns Shows how feminist ideas have shaped literary theory The Encyclopedia gathers in one place all the key words topics proper names and critical terminology of feminist literary theory Emphasis throughout is on usage in the United States and Great Britain since the 1970s Each entry is accompanied by a bibliography that is a point of departure for further research A key advantage of this Encyclopedia is that it amasses bibliographic references for so many important and often cited works within a single volume Instructors especially will find this information invaluable in the preparation of course material Special Features Offers precise contemporary definitions of all important critical terms Summarizes the salient ideas of key literary critics Overviews cover major theoretical issues Entries on periods and fields survey feminist contributions Emphasizes terminology that has evolved since the 1970s Indexes proper names subjects key words and related topics

Fever Slow Hand ,1994 [The Menopause Book](#) Barbara Kantrowitz, Pat Wingert, 2018-03-20 The Complete Guide for Women Deeply optimistic reassuring and essential the book the North American Menopause Society called required reading is now revised and updated with over 20 percent new material that incorporates the latest medical findings cutting edge research and best practices advice Expertly separating fact from fiction in the latest breakthrough medical studies it shows you what to pay attention to and what you can ignore Learn about the role of hormones and the latest advances in hormone therapy The truth about hot flashes and how to deal with getting one at work The impact of menopause on sexuality and how to manage an up and down libido There are chapters on heart health how to protect it moods how to ride them out and exercise how to stretch without strain And finally why this period of life can be a natural springboard to staying healthy feeling great and looking beautiful for the next act of your life Your Questions Your Answers Is it possible that I could get another period after more than a year without one Losing weight at midlife feels like an uphill battle what s the healthiest approach How do I perform a breast self exam Is hormone therapy necessary and if so which one is right for me

How effective are Kegel exercises and how do I do them I m starting to get adult acne is this normal
