Small and Medium-sized Enterprises in Countries in Transition Antal Szabó, Bernan Assoc, United Nations. Economic Commission for Europe, 2003 This publication examines the characteristics of the small and medium enterprise SME sector in transition countries and emerging market economies including SME definition by countries major legislative measures related to entrepreneurship support measures as well as giving a SWOT strengths weaknesses opportunities and threats analysis for individual countries and statistics collected from the SME National Focal Points and other sources such as the UNECE database and EBRD data

Entrepreneurship in Transition Economies Arnis Sauka, Alexander Chepurensky, 2017-06-28 This book presents a state of the art portrait of entrepreneurship in the transition economies of Central and Eastern Europe CEE and the Commonwealth of Independent States CIS as well as Georgia and Ukraine Based on new empirical evidence it highlights major trends in characteristics and forms of entrepreneurship common to countries in transition The contributions cover topics such as levels of opportunity based entrepreneurship incentives for innovation dominance of large scale international corporations the role of family

businesses and opportunities for grass roots entrepreneurship The first part of the book focuses on theoretical considerations regarding the establishment of sustainable entrepreneurial ecosystems and private business In turn the second part offers cross border studies of entrepreneurial environments and activities while the third and fourth present case studies on the current state and unique characteristics of entrepreneurship in various countries of the CEE and CIS as well as Georgia and Ukraine Finally the last parts discuss the role of institutions and policy recommendations Entrepreneurship and SMEs in

Transition Economies Organisation for Economic Co-operation and Development. Advisory Group on Entrepreneurship Promotion and SMEs. Meeting, Organisation for Economic Co-operation and Development, Local Economic and Employment Development (Program), 1997 **Economic Development and Entrepreneurship in Transition Economies** Jovo

Ateljević, Jelena Trivić, 2016-04-05 This book contributes to a better understanding of entrepreneurship in transition economies Current literature reflects the more traditional schools of thought on entrepreneurship which are influenced by the Western perspective and fail to fully address the scenario in transition economies There is a broad consensus among academics policy makers and practitioners that a fundamental cause of difficulties experienced by most economies in transition has been the fact that reform has not been accompanied by the creation of new private businesses and particularly SMEs This is especially evident in states created in Europe after the dissolution of the Soviet Union where many barriers which were inherited from the old system remain in place thus inhibiting entrepreneurial progress in these countries despite a favorable political and economic environment The contributions featured in this book focus on how much progress has been achieved so far with regard to these aspects as well as identify which current barriers and issues still need to be resolved Themes include innovation performance financing venture capital educational factors and entrepreneurial learning

Enterprising Women in Transition Economies David Smallbone, 2017-03-02 Entrepreneurship is a key element in the development of market based economies and one of the potential drivers of change in countries that are in the process of transformation to market based systems This book describes and critically assesses the nature and extent of female entrepreneurship in European economies that until 1990 were operating under central planning At the core of the book are 7 country based chapters which provide an overview of the development of entrepreneurship and small firms since 1990 including a review of the institutional and policy context an assessment of the role of women within the society during the socialist period and any major changes afterwards Each chapter also includes a thematic section each one addressing a different issue based on unique empirical data drawn from original research OECD SME and Entrepreneurship Outlook

2021 OECD, 2021-06-28 Small and medium sized enterprises SMEs and entrepreneurs have been hit hard during the COVID 19 crisis Policy responses were quick and unprecedented helping cushion the blow and maintain most SMEs and entrepreneurs afloat Despite the magnitude of the shock available data so far point to sustained start ups creation no wave of bankruptcies and an impulse to innovation in most OECD countries **Entrepreneurship in Post-Communist Countries**

Jovo Ateljević, Jelena Budak, 2018-05-21 This volume analyzes the barriers to as well as new drivers for entrepreneurial development in post communist countries The contributors present various country studies mainly in the Balkans region and investigate entrepreneurial behavior and best practices financial instruments factors for the success of small and medium sized companies and related policy implications The book will appeal to scholars policymakers and professionals interested in entrepreneurial obstacles and challenges in the countries of the Balkans region **Proceedings of the XIV INTERNATIONAL SYMPOSIUM SYMORG 2014** Aleksandar Marković, Slađana Barjaktarović Rakočević, 2014-06-05
