Small Ceremonies, the Box Garden, Swan Carol Shields, 1976 Includes all three novels small ceremonies the box garden and swann **Carol Shields and the Writer-Critic** Brenda Beckman-Long, 2016-01-27 Throughout her literary and critical career Canadian writer Carol Shields 1935 2003 resisted simple categorization Her novels are elegant puzzles that confront the reader with the ambiguity of meaning and narrative yet their position within Shields critical feminist project has until now been obscured In Carol Shields and the Writer Critic Brenda Beckman Long illuminates that project through the study of Shields extensive oeuvre including her fiction and criticism Beckman Long brings depth to her analysis through close readings of six novels including the award winning *The Stone Diaries* Elliptical open ended and concerned with women writing about women these novels reveal Shields critique of dominant masculine discourses and her deep engagement with the long tradition of women's life writing Beckman Long's original archival research attests to Shields preoccupation with the changing efforts of waves of feminist activism and writing A much needed reappraisal of Shields's innovative work Carol Shields and the Writer Critic contributes to the scholarship on life writing and autobiography literary criticism and feminist and critical theory *The Word in the Wind* Bruce L. Taylor, 2019-07-26 The growing use and appreciation of the Common Lectionary Revised has stimulated renewed attention to the Christian calendar in its fullness and an enrichment of liturgical worship In this volume Bruce Taylor offers a collection of theologically rich sacramentally sensitive and biblically centered sermons for the Sundays and feast days in the first half of Year A of the Lectionary featuring Gospel readings from Matthew with attention to the accompanying Old Testament and epistolary texts Included is a sampling of sermons written as engaging stories and a sermon presented during the Week of Prayer for Christian Unity Preachers will find here encouragement for their own homiletical observance of the liturgical year and ecumenical celebrations and the mutual and intimate relationship between Word and Sacrament All readers will find a thoughtful and stimulating resource for their own life of faith witness and devotion [Prizing Literature](#) Gillian Roberts, 2011-10-29 When Canadian authors win prestigious literary prizes from the Governor General's Literary Award to the Man Booker Prize they are celebrated not only for their achievements but also for contributing to this country's cultural capital Discussions about culture national identity and citizenship are particularly complicated when the honorees are immigrants like Michael Ondaatje Carol Shields or Rohinton Mistry Then there is the case of Yann Martel who is identified both as Canadian and as rootlessly cosmopolitan How have these writers identities been recalibrated in order to claim them as representative Canadians *Prizing Literature* is the first extended study of contemporary award winning Canadian literature and the ways in which we celebrate its authors Gillian Roberts uses theories of hospitality to examine how prize winning authors are variously received and honoured depending on their citizenship and the extent to which they represent Canadianness *Prizing Literature* sheds light on popular and media understandings of what it means to be part of a multicultural nation **Dressing Up for the Carnival** Carol

Shields,2001-05-01 A bestselling collection of short stories from the author of *The Stone Diaries* winner of the Pulitzer prize and *Larry's Party* winner of the Orange prize All over town people are putting on their costumes X slips into his wife's lace trimmed night gown and waltzes around his bedroom Tamara is no longer the dull clerk receptionist when she wears that yellow skirt she evolves into a stunning creature exuding passion and vitality In *Weather* a couple's life is thrown into utter chaos when The National Association of Meteorologists go on strike what will they wear What will they eat In *Soup du Jour* a young boy contemplates life the cracks in the pavement and his mother's soup making Each story encapsulates the human spirit its diversities complexities and absurdities Shields observes with compassion the carnival that goes on in each of our lives and the realities that we create for ourselves Carol Shields second collection of short stories celebrates the extraordinary details that are found in ordinary everyday lives

The Republic of Love Carol Shields,2022-03-15 With a viewpoint that shifts as crisply as cards in the hands of a blackjack dealer Carol Shields introduces us to two shell shocked veterans of the wars of the heart There's Fay a folklorist whose passion for mermaids has kept her from focusing on any one man And right across the street there's Tom a popular radio talk show host who has focused a little too intently having married and divorced three times Can Fay believe in lasting love with such a man Will romantic love conquer all rational expectations Only Carol Shields could describe so adroitly this couple who fall in love as thoroughly and satisfyingly as any Victorian couple and the modern complications that beset them in this touching and ironic book

Larry's Party Carol Shields,2011-10-05 *The Stone Diaries* marked a new phase in a literary career already ablaze with achievement As well as the many international awards it received including the Pulitzer Prize the National Book Critics Circle Award and the Governor General's Award the book also met with universal critical acclaim and topped bestseller lists around the world Carol Shields raved Maclean's has crafted a small miracle of a novel *The Stone Diaries* said the New York Times Book Review reminds us again why literature matters The San Diego Tribune called *The Stone Diaries* a universal study of what makes women tick Now in *Larry's Party* Carol Shields does the same for men Larry Weller born in 1950 is an ordinary guy made extraordinary by his creator's perception irony and tenderness *Larry's Party* gives us as it were a CAT scan of his life in episodes between 1977 and 1997 that flash backward and forward seamlessly As Larry journeys toward the new millennium adapting to society's changing expectations of men Shields elegant prose transforms the trivial into the momentous We follow this young floral designer through two marriages and divorces his interactions with parents friends and a son And throughout we witness his deepening passion for garden mazes so like life with their teasing treachery and promise of reward Among all the paradoxes and accidents of his existence Larry moves through the spontaneity of the seventies the blind enchantment of the eighties and the lean mean nineties completing at last his quiet stubborn search for self Larry's odyssey mirrors the male condition at the end of our century with targeted wit unerring poignancy and faultless wisdom

Unless Carol Shields, 2010-10-08 Unless you're lucky unless you're healthy fertile unless you're loved and fed unless you're offered what others are offered you go down in the darkness down to despair Reta Winters has many reasons to be happy Her three almost grown daughters Her twenty year relationship with their father Her work translating the larger than life French intellectual and feminist Danielle Westerman Her modest success with a novel of her own and the clamour of her American publisher for a sequel Then in the spring of her forty fourth year all the quiet satisfactions of her well lived life disappear in a moment her eldest daughter Norah suddenly runs from the family and ends up mute and begging on a Toronto street corner with a hand lettered sign reading GOODNESS around her neck GOODNESS With the inconceivable loss of her daughter like a lump in her throat Reta tackles the mystery of this message What in this

world has broken Norah and what could bring her back to the provisional safety of home Reta's wit is the weapon she most often brandishes as she kicks against the pricks that have brought her daughter down Carol Shields brings us Reta's voice in all its poignancy outrage and droll humour Piercing and sad astute and evocative full of tenderness and laughter Unless will stand with The Stone Diaries in the canon of Carol Shields's fiction
