Small Ship Big Sea:

Little Ship, Big War Edward P Stafford, 2012-04-15 Manned almost entirely by reservists the USS Abercrombie DE343 and her sister ships did the dirty work of the Pacific War They escorted convoys chased submarines picked up downed pilots and led the landing craft to the invasion beaches yet they received little credit and less glory This book is a stirring tribute to their heroic efforts written by a naval officer who served in the Abercrombie during the war and later became a best selling author First published in 1984 it has long been acclaimed for presenting a view of the navy as the sailors actually saw it the joys and pains the humor and gravity the successes and defeats Ed Stafford provides an authentic day by day account of life on board DE343 from the Battle of Leyte Gulf and picket duty against kamikazes at Okinawa to the signing of the peace treaty in Tokyo Harbor To create an accurate picture he consulted ship logs and after action reports and interviewed members of the crew Although the book focuses on events in a particular warship it tells the story of every small ship and their valiant crews that rose to the challenge and fought with everything they had until the war was won *Little Ship, Big Story* Rodney Pell, 2019-02-05 Emerging like a butterfly from its chrysalis a remarkable little ship the Sheemaun springs from her designer's drawing board to sail through eight decades of history gathering in her wake a unique collection of admirers including former owners former crews and those who served courageously on her during WW2 Their stories are revealed here tales of bravery and daring accounts of bombs mines depth charging and death stories of espionage and smuggling and memorable chronicles of Royal occasions cruising maritime festivals and much else This fascinating deeply engrossing true story takes the reader into the heart and soul of the Sheemaun and of all those who have loved her *Small Boats and Big Seas* Ralph Stephenson, 1978 **One Wild Song** Paul Heiney, 2015-04-09 When Countrywise presenter Paul Heiney's son Nicholas committed suicide aged 23 Paul and his wife Times columnist Libby Purves were rocked to the core Nicholas had been a highly gifted promising young man albeit he had struggled to keep his head above water at times as severe depression slowly dragged him down over many years Nicholas was a keen sailor with several of his posthumously published writings having a nautical theme To try to reconnect with this happier memory of his son Paul decides to set out alone on a voyage he would have liked them to have embarked upon together Cape Horn is the sailor's Everest One of the most remote and bleak parts of the world it takes courage physical strength and mental fortitude to face its tempestuous seas violent winds and barren landscape During the voyage Paul finds a peace of mind and a way to face the future without his son Poignant moving funny thought provoking and beautifully written Paul's account of setting his own course through seemingly insurmountable grief makes for a powerful story Injected with humour perceptiveness and philosophy recounting his highs lows frustrations and triumphs the honesty and openness of Paul's story makes this very personal account a universal tale *My Sea Lady* Graeme Ogden, 2014-05-01 A remarkable wartime memoir unusually personal and frank chronicling the bleak and arduous journeys onboard an anti submarine trawler in the Arctic ocean during World War II Graeme Ogden's memoir is the story of

HMS Lady Madeleine an ocean going trawler converted to an anti submarine role as part of the convoys to supply the Soviet Union as it faced the savage onslaught of the German army This was a voyage fraught with storms icebergs and sub zero temperatures in peacetime alone but now the convoys faced worse the fearsome gauntlet of German aircraft submarines and surface raiders strung out along the coast of Norway waiting to meet them Ogden commanded the vessel in question keeping diaries of his harrowing experiences of those years which also cover his time on the equally perilous Atlantic convoys These accounts were rediscovered and published as a memoir in the 1960s illustrated with exquisite line drawings by Richard Elsdon who also sailed on these voyages This is a very different kind of war memoir vivid and bittersweet in which the human elements take centerstage against the backdrop of great events **Berlitz Cruising & Cruise Ships 2017**
