Small Business Management 3e Goventure Small Business Simulation Cd:

Small Business Management Timothy S. Hatten, 2005-04 Hatten provides a balanced introduction to both entrepreneurship and small business management before turning his focus toward achieving and maintaining a sustainable competitive advantage as a small organization. Current issues including global opportunities, service quality, and technology are highlighted throughout the text, and the Third Edition features an increased emphasis on small business ownership by women and minority groups. Additional coverage is given to the new Small Business Administration size standards, creating a personalized business plan, and e-commerce. New! A full chapter is devoted to creating a business plan. Two complete plans written by undergraduate students appear in the text: one designed for a service business, the other for a retail establishment. Electronic Business Plan Templates are also available online. New! What Would You Do exercises provide realistic opportunities for students to think critically and realistically. New! Profile in Entrepreneurship boxes spotlight individuals who've created new products and businesses. New! Eduspace course management system. New! Coverage of small business ownership by women and minority groups has been increased throughout the text. New! End of chapter questions. Comprehension Checks have been added to each chapter. Author created supplements including the Instructors Resource Manual, Test Bank, and PowerPoint slides ensure seamless integration of the text and teaching resources. A shorter length accommodates one semester courses without sacrificing important topics.
