Reading and Reasoning DOWNING,2013-11-11 I have written this book to put forward a new theory of reading the cognitive clarity theory But the book is not all theory I have tried to show how this theory can help students teachers and parents to improve children s education in reading at home and at school Although the cognitive clarity theory is new it is derived from other theories and from a wide range of educational linguistic and psychological research The cognitive clarity theory is thus a bringing together of the insights of many colleagues in these disciplines What the theory owes to these colleagues is clearly acknowledged as the evidence is presented But I must also be thankful for the experiences that have led me in this direction I

worked as a school teacher for nearly ten years before I became an experimental psychologist During my years as a teacher I was often baffled by children s difficulties in learning to read Then only two or three years after qualifying in psych ology I had the good fortune to be chosen to plan and conduct the first large scale experiment on children s reading in Britain
