Australia and New Zealand* Ernest Henry Wilson, 1927 [African Missionary Heroes and Heroines](#) Hermann Karl Wilhelm Kumm, Karl Kumm, 1917 **Plant Hunting** Ernest Henry Wilson, 1927 [Waterfall Facts](#) Sierra Layne, AI, 2025-02-18 Waterfall Facts explores the captivating world of waterfalls examining their formation geological impact and significance within Earth s broader river systems and environmental science These natural wonders aren t just scenic they are powerful agents of erosion carving landscapes over millennia For example the book details how the immense power of waterfalls like Niagara Falls shapes the surrounding geography through constant erosion and hydrological processes The book progresses from examining the geological processes that birth waterfalls such as fault lines and glacial activity to analyzing the hydraulic forces that dictate their erosive power It also dives into specific examples including Victoria Falls and Iguazu Falls highlighting their unique geological settings This approach helps readers understand how waterfalls reflect the dynamic interplay between geological forces climate and the hydrological cycle emphasizing their role as both destructive and creative forces in nature **The Smoke That Thunders** Vincent Sperando, 2012-04-27 Chikankata is a Salvation Army mission in the middle of the barren Zambian bush While the missions

volunteers enjoy some basic comforts provided by the Armys reservoir and utilities life for the villagers in the surrounding regions is harsh beyond imagination Its a life where children go without education and basic medical care where women live at the mercy of men and where men perpetrate violent acts against each other At the heart of this story is Dr Nicky Carter a woman who has clawed her way out of a Pittsburg ghetto to become a physician and volunteered her services to the Army for six months Observing the villagers through the scrutinizing eyes of a doctor she becomes horrified by what she sees by the brutality of Africas poverty and is too distressed to notice the natural beauties of the country Nicky endeavors to find understanding and turns to the three men around her each from different worlds Little does she know of the futility of her search and the tragic betrayals and misunderstandings that await her The only man from her world is an older medical student from Canada Samuel who has a romantic vision of the African bush and only compounds Nickys suffering The two other men who see the realities that she does come from vastly different worlds a local schoolteacher Musamba who betrays Nickys trust and a blue collar handyman Mick whose misplaced humility keeps him from fully reaching out to Nicky Writing with a relentless and lyrical rhythm that brings home the realities of life in the Zambian bush the author conveys this world with a precision that could only come from someone with first hand experience and insight
