Why Trust Science? Naomi Oreskes,2021-04-06 Why the social character of scientific knowledge makes it trustworthy Are doctors right when they tell us vaccines are safe Should we take climate experts at their word when they warn us about the perils of global warming Why should we trust science when so many of our political leaders don t Naomi Oreskes offers a bold and compelling defense of science revealing why the social character of scientific knowledge is its greatest strength and the greatest reason we can trust it Tracing the history and philosophy of science from the late nineteenth century to today this timely and provocative book features a new preface by Oreskes and critical responses by climate experts Ottmar Edenhofer and Martin Kowarsch political scientist Jon Krosnick philosopher of science Marc Lange and science historian Susan Lindee as well as a foreword by political theorist Stephen Macedo

Democratic Decline in Hungary András L. Pap,2017-08-03 This book shows the rise and morphology of a self identified illiberal democracy the first 21st century illiberal political regime arising in the European Union Since 2010 Viktor Orb n s governments in Hungary have convincingly offered an anti modernist and anti cosmopolitan anti European Unionist rhetoric discourse and constitutional identity to challenge neo liberal democracy The Hungarian case provides unique observation points for students of transitology especially those who are interested in states which are to abandon pathways of liberal democracy The author demonstrates how illiberalism is present both in how and what is being done the style format and procedure of legislation as well as the substance the dismantling of institutional rule of law guarantees and the weakening of checks and balances The book also discusses the ideological commitments and constitutionally framed and cemented value preferences and a reconstituted and re conceptualized relationship between the state and its citizens which is not evidently supported by Hungarians value system and life style choices
