

Michael Underwood
**SMOOTH
JUSTICE**

Smooth Justice

Guillaume Favre

Smooth Justice:

Smooth Justice Michael Underwood, 2014-01-21 In Bloomsbury Magistrate's Court stipendiary magistrate Donald Ferney reigned supreme Ferney sought to acquire the public image of the kindly magistrate and his remarks even his judgements were sometimes aimed at the local reporters present in court But among those who knew him better Mr Ferney was not loved He had indeed made many enemies in all departments of his life in particular among the permanent staff who served at his court Among Mr Underwood's best P D James

Bible and Justice Matthew J. M. Coomber, 2016-04-01 The Bible contains a variety of passages that defend the poor and champion the cause of the oppressed but are these ancient texts able to find a voice in confronting injustice in the modern world Bible and Justice examines the ways in which the Bible can speak to contemporary poverty environmental issues and state sponsored violence whilst exploring the difficulties that arise when ancient concepts of justice are applied to modern ideals The book covers a range of topics from human rights to deaf biblical interpretation and from hospitality to corporate globalization Broad and accessible Bible and Justice will be an invaluable resource for students of religious and biblical studies

Justice Globalism Manfred Steger, James Goodman, Erin K Wilson, 2012-12-18 Are political activists connected to the global justice movement simplistically opposed to neoliberal globalization Is their political vision incoherent and their policy proposals naive and superficial as is often claimed by the mainstream media Drawing on dozens of interviews and rich textual analyses involving nearly fifty global justice organizations linked to the World Social Forum the authors of this pioneering study challenge this prevailing view They present a compelling case that the global justice movement has actually fashioned a new political ideology with global reach justice globalism Far from being incoherent justice globalism possesses a rich and nuanced set of core concepts and powerful ideological claims The book investigates how justice globalists respond to global financial crises to escalating climate change and to the global food crisis It finds justice globalism generating new political agendas and campaigns to address these pressing problems Justice globalism the book concludes has much to contribute to solving the serious global challenges of the 21st century Justice Globalism will prove a stimulating read for undergraduate and graduate students in the social sciences and humanities who are taking courses on globalization global studies and global justice

International Handbook of Educational Leadership and Social (In)Justice Ira Bogotch, Carolyn M. Shields, 2013-11-11 The International Handbook on Educational Leadership and Social In Justice creates a first of its kind international forum on conceptualizing the meanings of social justice and leadership research approaches in studying social justice and combating social injustices school university and teacher leadership for social justice advocacy and advocates for social justice socio cultural representations of social injustices global policies and leadership development as interventions The Handbook is as much forward looking as it is a retrospective review of educational research literatures on social justice from a variety of educational subfields including educational leadership higher education academic networks special education health

education teacher education professional development policy analyses and multicultural education The Handbook celebrates the promises of social justice while providing the educational leadership research community with concrete contextualized illustrations on how to address inequities and combat social political and economic injustices through the processes of education in societies and educational institutions around the world Spatial Justice Andreas

Philippopoulos-Mihalopoulos, 2014-10-30 There can be no justice that is not spatial Against a recent tendency to despatialise law matter bodies and even space itself this book insists on spatialising them arguing that there can be neither law nor justice that are not articulated through and in space Spatial Justice presents a new theory and a radical application of the material connection between space in the geographical as well as sociological and philosophical sense and the law in the broadest sense that includes written and oral law but also embodied social and political norms More specifically it argues that spatial justice is the struggle of various bodies human natural non organic technological to occupy a certain space at a certain time Seen in this way spatial justice is the most radical offspring of the spatial turn since as this book demonstrates spatial justice can be found in the core of most contemporary legal and political issues issues such as geopolitical conflicts environmental issues animality colonisation droning the cyberspace and so on In order to argue this the book employs the lawscape as the tautology between law and space and the concept of atmosphere in its geological political aesthetic legal and biological dimension Written by a leading theorist in the area Spatial Justice Body Lawscape Atmosphere forges a new interdisciplinary understanding of space and law while offering a fresh approach to current geopolitical spatiolegal and ecological issues

Smooth Justice Michael Underwood, 1979 Standard Poland-China Record Standard Poland-China Record Association, Maryville, Mo, 1919 *Justice Denoted* Terry White, 2003-09-30 White provides the most comprehensive scholarly compilation of fictional work of legal suspense in existence Primarily a bibliography of novels it also annotates plays scripts for film and television novelizations and short story collections about lawyers and the law The idea behind the principal of selection is to disdain labels that reduce the variety of the legal thriller to a subgenre of mystery fiction Novels that range from suspense thrillers through science fiction to the philosophical novel are included if justice is thematically important It is therefore an eclectic reference source beyond a compilation of books about lawyers as protagonists Its biographical and scholarly information about authors major and minor and their novels or works is traditionally encyclopedic and objective regardless of whether the work has been genre defined or worse deified as a classic or denigrated as a bestseller Many novels included are long out of print but historically interesting for their contribution to the lineage of the courtroom drama showing that the history of the legal thriller is one of the major branches of modern literature since the Age of Reason The criterion of justice denoted moves beyond the fact of lawyers and courtrooms to select seminal novels like Robert Travers Anatomy of a Murder as well as the romantic potboiler Among the more than 2 000 works are the Perry Mason novels of Erle Stanley Gardner John Mortimer's Rumpole series along with a staple of fiction by major authors of the

genre like John Lescroart Lisa Scottoline Margaret Maron Scott Turow and John Grisham There are also individual works by Shakespeare Goethe Kafka Camus and Twain delineating humanity's obsession with the law as its shining prop of civilization and alternative b te noire of the common individual caught up in its maw The appendices include comments by lawyer novelist Michael A Kahn a historical introduction to the legal thriller craft notes by writers and prominent trial lawyers responding to author and lawyer questionnaires bibliography of critical sources and articles series characters and the legal terminology found in courtroom dramas and novels An essential reference tool for scholars researchers as well as the occasional reader of legal thrillers

Project Reports of the National Institute of Law Enforcement and Criminal Justice ,1971 **American Poland-China Record** American Poland-China Record Association,1920
