Walker, 2006-01-01 James R Walker was a physician to the Pine Ridge Sioux from 1896 to 1914 His accounts of this time taken from his personal papers reveal much about Lakota life and culture This third volume of previously unpublished material from the Walker collection presents his work on Lakota myth and legend This edition includes classic examples of Lakota oral literature narratives that were known only to a few Oglala holy men and Walker's own literary cycle based on all he had learned about Lakota myth Lakota Myth is an indispensable source for students of comparative literature religion and mythology as well as those interested in Lakota culture Born in the Blood Brian Swann, 2011 An anthology of essays on the translation of Native American languages and literatures by top scholars in the field Shades of Empire in Colonial and Post-Colonial Literatures , 2021-11-01 The scope of the articles in Shades of Empire in Colonial and Post Colonial Literatures which are arranged in a broad sweep from East to West with four short papers nestled in the middle on the theme of colonialism and motherhood is extensive and varied But in one way or another they all reflect the growing importance of literatures and cultures that might once have been regarded as marginal During the colonial period the literature of the

centre took possession of the margin as well as of the imagination of the margin But only recently has the question been raised as to why traditional English literary history has paid so little attention to colonial literature Now post colonial literatures are writing themselves back into the centre and what used to be the margins of the English language world have now set themselves up as rival centres An interesting question to arise from this is whether in the process the former colonial or colonizing literature has now itself turned into a post colonial literature What this book affirms is the importance and interest of a wide variety of literatures sharing a language but reflecting a rich and provocative diversity of histories experiences and attitudes to the shared world which still also divides us

Eastern Cherokee Stories Sandra Muse Isaacs, 2019-07-03 Throughout our Cherokee history writes Joyce Dugan former principal chief of the Eastern Band of Cherokee Indians our ancient stories have been the essence of who we are These traditional stories embody the Cherokee concepts of Gadugi working together for the good of all and Duyvhta walking the right path and teach listeners how to understand and live in the world with reverence for all living things In Eastern Cherokee Stories Sandra Muse Isaacs uses the concepts of Gadugi and Duyvhta to explore the Eastern Cherokee oral tradition and to explain how storytelling in this tradition as both an ancient and a contemporary literary form is instrumental in the perpetuation of Cherokee identity and culture Muse Isaacs worked among the Eastern Cherokees of North Carolina recording stories and documenting storytelling practices and examining the Eastern Cherokee oral tradition as both an ancient and contemporary literary form For the descendants of those Cherokees who evaded forced removal by the U S government in the 1830s storytelling has been a vital tool of survival and resistance and as Muse Isaacs shows us this remains true today as storytelling plays a powerful role in motivating and educating tribal members and others about contemporary issues such as land reclamation cultural regeneration and language revitalization The stories collected and analyzed in this volume range from tales of creation and origins that tell about the natural world around the homeland to post Removal stories that often employ Native humor to present the Cherokee side of history to Cherokee and non Cherokee alike The persistence of this living oral tradition as a means to promote nationhood and tribal sovereignty to revitalize culture and language and to present the Indigenous view of history and the land bears testimony to the tenacity and resilience of the Cherokee people the Ani Giduwah
