Smugglers Of Spirits Prohibition And The Coast Guard Patrol:

Smugglers of Spirits Harold Waters,1971-01-01 United States Coast Guard Annotated Bibliography United States. Coast Guard,1982 Smuggler Nation Peter Andreas,2013-03-21 Retells the story of America and of its engagement with its neighbors and the rest of the world as a series of highly contentious battles over clandestine commerce *American Smuggling as White Collar Crime* Lawrence Karson,2020-09-29 When Edwin Sutherland introduced the concept of white collar crime he referred to the respectable businessmen of his day who had in the course of their occupations violated the law whenever it was advantageous to do so Yet since the founding of the American Republic numerous otherwise respectable individuals had been involved in white collar criminality Using organized smuggling as an exemplar this narrative history of American smuggling establishes that white collar crime has always been an integral part of American history when conditions were favorable to violating the law This dark side of the American Dream originally exposed itself in colonial times with elite merchants of communities such as Boston trafficking contraband into the colonies It again came to the forefront during the Embargo of 1809 and continued through the War of 1812 the Civil War nineteenth century filibustering the Mexican Revolution and Prohibition The author also shows that the years of illegal opium trade with China by American merchants served as precursor to the later smuggling of opium into the United States The author confirms that each period of smuggling was a link in the continuing chain of white collar crime in the 150 years prior to Sutherland s assertion of corporate criminality *The Golden Avenue: The History and People of Ocean Avenue, Amityville, NY* Doug Robinson,2018-09-17 The Golden Avenue tells the history of Ocean Avenue in Amityville New York and the famous infamous and interesting folks associated with the street These include Lawrence B Sperry aviation pioneer Walter O Malley owner of the Brooklyn Dodgers Annie Oakley Lebert Lombardo of the Royal Canadians Bruce Parker Mr Water Skiing John B Gambling of WOR Radio Ed Nezbada and Grumman Aircraft Phil Brice and Republic Aviation Christine Riley actress and Ronald DeFeo mass murderer Rumrunners J. Anne Funderburg,2016-11-18 In 1920 the 18th Amendment made the production transportation and sale of alcohol not merely illegal it was unconstitutional Yet no legislation could end the demand for alcohol Enterprising rumrunners worked to meet that demand with cunning courage machineguns and speedboats powered by aircraft engines They out maneuvered the U S Coast Guard and risked their lives to deliver illicit liquor Smugglers like Bill McCoy the Bahama Queen and the Gulf Stream Pirate along with many others ran operations along the U S coastline until Prohibition was repealed in 1933 Drawing on legal records newspaper articles and Coast Guard files this history describes how rumrunners battled the Dry Navy and corrupted U S law enforcement in order to keep America wet **The Bahamas in American History** Keith Tinker,2011-11-30 THIS BOOK EXPLORES the many complex historical connections between the UNited States of America and the Commonwealth of The Bahamas Beginning with an overview of shared early Spanish colonization the book is the first attempt to provide a comprehensive study of the impact of the sequential development of the

United States on events in the emerging Bahamas placing the heretofore marginalized history of the island nation firmly into the orbit of Atlantic historiographical literature Among other things the books sheds light on the role played by the islands in a series of significant events in the U S history These include the American Revolution in which four of the initial official military actions of the fledgling U S Navy comprised repeated invasions of British controlled Nassau capital of the Bahamas the American Civil War during which Nassau became one of the main bases for supply of vital goods and ammunition to the Confederacy the intrigues of the Volstead Act which legislated prohibition but also caused the temporary transformation of Bahama Islands into major transshipment centers for the smuggling of alcoholic beverages to a multitude of prohibition defiant and thirsty Americans and the significant role played by Bahamian migrants in the creation of the city of Miami and other areas of south Florida The author draws on a wealth of tapped and untapped primary sources and presents a new perspective on the Bahamian experience that helped to define the self proclaimed American credo of Manifest Destiny

Supreme City Donald L. Miller, 2015-05-19 An award winning historian surveys the astonishing cast of characters who helped turn Manhattan into the world capital of commerce communication and entertainment **Violence in America** Ted Robert Gurr, 1989-06 Violence in America The History of Crime presents a wealth of new research on the long term dynamics of murder and other crimes of violence The contributors clearly identify and diagnose the painful circumstances of recurring epidemics of violent crime that have swept the American society over the past 150 years Among the possible causes discussed are waves of immigration the social dislocations of war and growing concentrations of urban poverty In addition this engaging volume offers an evaluation of the traits of political assassins and an assessment of the pros and cons of gun control and whether or not it will help to reduce crimes of violence Surprisingly the contributors to this compelling volume present the idea that the past and present dynamics of violent crime projected into the future suggest grounds for cautious optimism This outlook is based on recent increases in effective criminal justice policies and the widespread efforts to remedy the social disintegration that breeds violent crime Students and professionals in history criminology victimology political science and other related fields will find this volume to be essential reading For both volumes This is a major timely and immensely welcome addition to the literature on violence in American society With fresh scholarship and new insights it updates a classic study of violence first published in 1969 It would make a valuable addition to courses on American social history as well as classes specifically addressing violence and crime in this society John J Broesamle California State University Northridge **Catalog of Copyright Entries.
