

His Journey's Just Begun

Don't think of him as gone away -
his journey's just begun,
life holds so many facets -
this earth is only one. . .

Just think of him as resting
from the sorrows and the tears
in a place of warmth and comfort
where there are no days and years.
Think how he must be wishing
that we could know today
how nothing but our sadness
can really pass away.

And think of him as living
in the hearts of those he touched. . .
for nothing loved is ever lost -
and he was loved so much.

In Loving Memory of Joseph L. Smith

read books about grieving written by those who also had a child die I could not get enough I needed to feel like I was not alone I needed to identify with somebody I needed to know that I was not going crazy and that what I was feeling was normal whatever normal means when your child has died It helped knowing others had gone through what I was now experiencing I learned that bereaved parents may do things that seem strange to others That does not mean they are crazy or that they are

not moving forward in their grief They are coping the best way they can They are trying to keep their childs memory alive Darcie Sims a former grief counselor and bereaved parent once said that as long as you are not hurting yourself or anyone

A Field Guide to the Poetry of Theodore Roethke William Barillas, 2020-12-29

A constellation of essays that reanimates the work of this pivotal twentieth-century American poet for a new century. This volume is the first to reconsider Roethke's work in terms of the expanded critical approaches to literature that have emerged since his death in 1963. Editor William Barillas and over forty contributors, including highly respected literary scholars, critics and writers such as Peter Balakian, Camille Paglia, Jay Parini and David Wojahn, collectively make a case for Roethke's poetry as a complete, unified and evolving body of work. The accessible essays employ a number of approaches, including formalism, ecocriticism, reader response and feminist critique, to explicate the poetics, themes and the biographical, historical, cultural and literary contexts of Roethke's work.
