## So What Is Justice Anyway:

**Whose Body is it Anyway?** Cécile Fabre, 2006-04-06 In the prevailing liberal ethos if there is one thing that is beyond the reach of others it is our body in particular and our person in general our legal and political tradition is such that we have the right to deny others access to our person and body even though doing so would harm those who need personal services from us or body parts However we lack the right to use ourselves as we wish in order to raise income even though we do not necessarily harm others by doing so even though we might in fact benefit them by doing so Cécile Fabre's aim in this book is to show that according to the principles of distributive justice which inform most liberal democracies both in practice and in theory it should be exactly the other way around that is if it is true that we lack the right to withhold access to material resources from those who need them we also lack the right to withhold access to our body from those who need it but we do under some circumstances have the right to decide how to use it in order to raise income More specifically she argues in favour of the confiscation of body parts and personal services as well as of the commercialization of organs sex and reproductive capacities The Myth of the Individual Charles Wesley Wood, 1927 *So What Is Justice Anyway?* Chelsea

Whole Earth Justice Gene Tierney,2020-03-02 What s This Book About Through a series of unlikely events Justice Miller a university professor and former hockey star discovers profound secrets about the fundamental nature of human civilization the perils we face and unexpected prospects for a brighter future Not one to shy away from a fight she and a group of activists provoke establishment adversaries as they pursue new solutions and strategies to confront our social and ecological problems In the process they launch a bold campaign to usher in a new era focused on greater interdependence and justice

Since humans first emerged on Earth two hundred thousand years ago with our unique abilities and characteristics we have been on a journey toward this moment We now face a crossroads and urgent choice to live together interdependently or die separately There is no salvation in isolation no scientific breakthrough that can save us no amount of money or weaponry or border fortifications that can shield us Caring about others is the only way to sustainability social justice and prosperity To some this kind of change may seem idealistic or impossible or partisan or altruistic or even inconsistent with human nature but they d be wrong It s happening right now all around us and when you know how to see it you ll see it everywhere But more importantly when you know how to see it you ll see opportunities everywhere Not just opportunities to survive but opportunities to thrive Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations for 1992 United States. *Waterproof Justice* Grace Hawthorne, 2015-03-01 In its heyday Basin Street was the Park Avenue of prostitution In 1947 Minnie Tucker runs the last great sporting house in the French Quarter Ruby Smith comes to New Orleans with a new husband and high hopes only to find her marriage is a sham She needs a job and a place to live and Minnie needs an honest bookkeeper so she hires Ruby who easily manages both sets of Minnie's books Ruby is just settling into her new life when she sees Anthony Scapesi son of Don Scapesi head of the local Mafia kill a man As the only witness Ruby knows she must leave town She ends up in Waterproof a backwater on the Mississippi where she thinks she can hide True to her Choctaw heritage Ruby is a woman of few words However she is drawn into small town life Bitsy Verner a self appointed matchmaker wastes no time in introducing her to Sheriff Nate Houston a widower Nate has recently returned from WWII with a piece of shrapnel in his knee He just wants peace and quiet to heal his mind and body However keeping peace in Waterproof isn't easy First there is Bud Garvey the town troublemaker Then there's Luther He is a permanent fixture in the sixth grade and no one expects him to amount to much But when Nate hires him we learn Luther has an uncommon ability to see straight to the heart of a problem On the home front Nate's daughter Carrie is coping with becoming a teenager And finally there's Miss Laura his mother in law who like Bitsy is vitally interested in Nate's love life Nate is attracted to Ruby but prefers to do things on his own terms When Bud Garvey's pickup is stolen he insists that Nate arrest Arlan Walker although it's clear the boy was just in the wrong place at the wrong time Arlan refuses to identify his brother as the driver and the case ends up in court In a fit of anger Judge Swetman commandeers the trial and sentences Arlan to 15 years in Angola the bloodiest maximum security prison in America A brutal killing at the prison prompts Arlan to escape during a hurricane He is presumed dead and when Luther and Carrie find him they persuade Nate to help the boy In the meantime Anthony Scapesi follows Ruby to Waterproof and attempts to silence her Ruby returns to Minnie's In an effort to find her Tony captures Luther and beats him severely Tony demands an answer and finally Luther gives him one However rather than giving Tony what he wants it turns out to be his undoing With Arlan safe and Tony gone Nate goes to New Orleans to meet Ruby at Minnie's and arrives on the night Louis Armstrong comes back to Basin Street where he delivered coal to houses in The District when he was a boy It is a night no one will ever forget

**Pragmatism and the Problem of Race** Bill E. Lawson, Donald F. Koch, 2004-04-21 A collection of essays examining a pragmatic approach to racism How should pragmatists respond to and

contribute to the resolution of one of America's greatest and most enduring problems. Given that the most important thinkers of the pragmatist movement—Charles S. Peirce, William James, John Dewey, and George Herbert Mead—said little about the problem of race, how does their distinctly American way of thinking confront the hardship and brutality that characterizes the experience of many African Americans in this country? In twelve thoughtful and provocative essays, contemporary American pragmatists connect ideas with action and theory with practice to come to terms with this seemingly intractable problem. Exploring themes such as racism and social change, the value of the concept of race, the role of education in ameliorating racism, and the place of democracy in dealing with the tragedy of race, the voices gathered in this volume consider how pragmatism can focus new attention on the problem of race. Contributors are Michael Eldridge, Eddie S. Glaude Jr., Judith M. Green, D. Micah Hester, Donald F. Koch, Bill E. Lawson, David E. McClean, Gregory F. Pappas, Scott L. Pratt, Alfred E. Prettyman, John R. Shook, Paul C. Taylor, and Cornel West.

But Captain Ross Sinclair isn't about to play by the rules to destroy a major human trafficking cartel, especially now that the only chance to break this case just strode into his life with attitude as long as her gorgeous legs. Heiress Emm Rothschild is taking names and raising hell as she searches for her abducted sister and niece. And the evidence this wild child turns up sets off a lethal chain of events challenging Ross to keep her reckless determination and seductive daring up close and dangerously personal. Now a blindsiding betrayal has Emm heading straight into harm's way. And Ross will have to put his badge and career on the line to get justice and prove to the woman he loves that a Ranger's word is a forever bond.
