So You Want To Be A Doctor:

So You Want to be a Doctor? Stephan Sanders, Harveer Dev, David Metcalfe, 2011 The must have guide to getting into medical school Each chapter guides you through another step of the process from deciding if medicine is for you and choosing a medical school to passing the UKCAT and BMAT exams applying to Oxbridge and getting through the interview

So You Want to Be a Doctor Niriksha Malladi, 2005 *So You Want To Be A Doctor* is a practical how to guide about becoming a medical doctor from an insider's perspective It addresses all the strategies needed to succeed as a medical school candidate and then goes a step further than any other admissions guide on the market today to provide a glimpse of life as a medical student and intern through real ward experiences It provides a thorough explanation of the different medical fields and explores issues such as lifestyle salary and competition for residency and fellowship positions for each specialty It outlines options for not traditional students seeking a medical career namely older candidates ethnic minorities economically disadvantages students and members of the Armed Forces It also includes a section on Canadian foreign and osteopathic medical schools as alternatives to obtaining an American medical degree In short it describes the complete journey from thinking about a career in medicine to qualifying as a licensed MD

So you want to be a doctor? Harveer Dev, David Metcalfe, Stephan Sanders, 2013-10-31 Applying for medical school needn't be such a daunting prospect with this book on your side Packed with insight tips and information you won't find anywhere else the second edition of *So you want to be a doctor* is an essential guide to the application process from start to finish Over 100 medical students and admissions tutors have contributed to unique profiles of every medical school in the UK An insider point of view on each school is complemented by straight forward rankings of each school by the cost of living the difficulty of the course and the competition for each place With such a comprehensive and honest survey of UK medical schools choosing the right one for you has never been easier Alongside these profiles this guide is packed with practical advice for every step of the application process Find out what kind of work experience is best and how to go about getting it Prepare for your interview with an updated chapter including sample questions taken from the direct experience of successful medical school candidates Ace your UKCAT or BMAT by learning how to approach the tests strategically and practising with the included sample questions

So you want to be a doctor Then you'll need this book

So You Want to be a Doctor? Harold Fletcher, 2006-09 *So You Want to Be a Doctor* tells of some of the more humorous tragic and poignant cases Dr Harold Fletcher encountered during his many years as a physician He tells hopeful medical students If you can Give the same medical attention to a woman off the street that you would a Major Hollywood star Extricate Vaseline jar from a drunk lady's vagina Endure the horror of hundreds of bodies and body parts scattered over a field after an air accident or an enormous explosion React professionally even though you are fearful that the small boy dressed as your young son was when you left for the office that morning whose bloody head you are holding together could be your son Have the ability and clear headedness without the help of proper

equipment to extricate a jack from the throat of a child who is turning blue then you may have the nerve and stamina to be a doctor

So You Want to Be a Doctor? David Metcalfe, Harveer Dev, Michael Moazami, 2021 Applying to medical school is like asking someone to marry you This might seem like an exaggeration however over your life you will spend more hours working than you will spend awake with your life partner Like marriage being a doctor will change who you are influence where you live and affect what you can do with your life For the right person this can be a wonderful life affirming experience Otherwise divorce from a medical career can be messy painful and upsetting

So You Want to Be a Doctor? Kerry J Breen, 2012-01-01 So You Want to Be a Doctor is written specifically for young people who are considering embarking on a medical degree as well as for those already enrolled This essential guide covers Prerequisites for admission into medical school at both undergraduate and graduate entry level What to expect as a qualified doctor in Australia today and what the Australian community expects in its doctors Life as a student from the application selection and interview process to the pressures of study advice on managing stress and distress and where to get help if needed The 18 medical schools in Australia their similarities and differences and particular focus or strengths The Australian health care system and career paths for medical graduates It includes advice about study methods financial support and balancing study with part time work and a social life as well as information that is relevant to specific groups such as Aboriginal and Torres Strait Islander students international students and students with a disability So You Want to Be a Doctor provides all the information a prospective medical student might need to decide on pursuing a career in medicine and to survive and thrive during the course of their study

So you want to be a medical mum? Emma Hill, 2008-02-14 In 2006 over 60% of medical graduates in the UK were female and the number of women going to medical school as mature students is steadily increasing Some of these women will at some point choose to have a baby but the question always asked is how to fit it in with a medical career Along with the problem of finding time to actually have a baby and coping as a pregnant doctor there is the problem of finding information when it is most needed This book addresses this problem bringing a wealth of information together in one easy to use resource Written by a mother who has faced the joys and frustrations of combining medicine and being a mother this book is a one stop shop for all mothers and mums to be
