**So, What is this Great Salvation?** Dr. Tim J. Zemanek, 2010-01-12 I believe in a biblical salvation in which Jesus told His disciples not to fight with swords but with faith It is my desire to help people understand the simplicity of this GREAT SALVATION and how it is applied in day to day life

*So Great Salvation* Charles Caldwell Ryrie, 1990-12-01 *Miracles Are for Today* Troy Edwards, 2010-11 For centuries the place of miracles in the church has been debated This controversy remains in our day Numerous views and theological positions are advocated in defense or rejection of miracles for today There are some who believe they are for today some who outright deny their validity for today and some who remain unsure Even among those who believe that God has never ceased working miracles there are a number of perspectives ranging from the idea that they are rare that they are spontaneous and happen only at God s sovereign whim and then there are those who believe that a faith filled group of Christians who believe God s promises can experience them frequently In his book *Miracles Are For Today* Pastor Troy J Edwards refutes the idea that God s miracles are only for a past generation and explains from Scripture how God s people can experience frequent miracles in their corporate worship as well as within their personal lives Get ready to believe God for a miracle today

*The NIV Matthew Henry Commentary in One Volume* Matthew Henry, 1992

Time has sealed the reputation of Matthew Henry's classic commentary as a rich source of insight into God's word

Three centuries after its first publication it remains one of the best loved most popular commentaries ever written

However while its wisdom is timeless the English language has changed much through the years

Words that meant one thing in Matthew Henry's day have taken on different meanings today

In addition Henry's often wordy reflections are generations removed from the crisp style that communicates most effectively to contemporary readers

The Zondervan NIV Matthew Henry Commentary is a masterful response to these concerns

It delivers the heart and soul of Henry's incomparable writings in a style that is easy to read and understand

Dr Leslie Church's meticulous abridgment retains the essential content of the original work

Easily misunderstood words have been replaced with modern ones while keeping Henry's style

Use of the New International Version NIV instead of the King James Version makes this edition fully compatible with today's most widely used Bible translation

In one volume here is a wealth of exposition metaphors analogies and illustrations

ideal for Personal devotions Bible study Sermon and lesson preparation
