Mullins,2020-05-25 In Native American history there are many legends about UFOs gods the paranormal and aliens There has always been a connection between Native Americans and beings from other parts of the universe referred to as Star People Perhaps due to familiarity with celestial fixtures it has been easier for Native Americans to relate events they have experienced on earth with things such as the formation of the Pleiades It is not hard to believe they would identify an event with a star being the nature and history of tribes was to exist outdoors The night sky would be paid much more attention by one who did not live indoors Through the many legends and tribes you can find instances where natives are either rescued or helped by gods or Star Beings The Pleiades is the basis of the creation of the Hopi Indians The Dakota also speak of the abode of the ancestors or Tiyaami as a place of their origin Other native oral histories or legends speak of an origin in the stars generally or other constellations The Cree did not originate from human beings but from people from the constellations who later became humans While others like the Lakota tell stories of beings from the skies Regardless of the tribe or the whether the interaction is through a god or star people there is proof that the ancient people of North America believed they have been visited by unexplainable beings from the heavens and beyond The stories in the collection tell of many different tribes and their experiences and the outcome of walking with these beings From experiences with aliens to the dead rising in spirit form this book will cover a wide range of stories of the paranormal

Fischer, 2021-02-09 One is an opportunity Two is a threat Three is an invasion For hundreds of years strange things have been washing up on the shores of Darcentaria But when a young foreign woman named El is found unconscious on the beach amidst the burning wreckage of a strange metal craft the villagers of Odessa are immediately suspicious is she an agent of the Dalriadan Empire their cruel oppressors for as long as they can remember Or does she come from the Outside the vast and legendary lands beyond their borders from which no man or woman alive has ever returned Torsten Eiseler a talented young swordsman has spent the last nine years of his life wrongfully imprisoned by his uncle the Empire's ruler Betrayed and deceived at every turn Torsten has survived by keeping a firm grip on his sword and by staying well away from anything to do with the Outside But when his young sister is murdered Torsten finds himself irrevocably drawn to El despite her Outsider heritage and he begins to question everything he has been told about her world Intrigued by the existence of a powerful and dangerously advanced world within his reach the Empire's ruler Jurien Arminius launches a hunt for El and the two Outsiders that arrived with her the ones who could help him win his war against Torsten and the rebellion that threatens to topple his Empire Suddenly Torsten is forced to choose between defeating his long term enemy or saving the woman he has come to love      **The Last Poem** Helder Oliveira, 2016-08-17 A woman is killed in strange circumstances when a birthday gift is sent to her Detective AlfaZero was then investigating the case and he finds out very interesting facts about this singular case Why was the woman killed For adding one more year to her age Find out in this interesting detective short story      Alejandro Bethany Pierce , 2024-11-15 In a story woven from passion loss and transformation Alejandro tells the story of two men drawn together by a love that seems destined yet proves fragile against the currents of life Sebastian Wolfort a celebrated but haunted writer in Chicago and Alejandro Estuart a resilient artist navigating the struggles of Lima are brought together by fate on a rainy night and their connection is instant electric and deeply unsettling For a time they find solace and inspiration in each other their relationship a storm that ignites both joy and sorrow But as the world pulls them in opposite directions they must confront the reality that some loves no matter how powerful are not meant to last Told through fleeting moments haunting memories and intimate reflections this novel dives deep into the emotional landscapes of both men as they navigate the beauty and heartbreak of their connection Their love is complex flawed and unforgettable becoming a catalyst for self discovery that will shape their lives forever Through late night conversations unspoken promises and a shared sense of longing Sebastian and Alejandro come to understand themselves each other and the cost of truly loving someone Years pass yet neither man can shake the impact of their relationship They catch glimpses of each other in passing strangers the echoes of their love shaping every new connection From opposite sides of the world they each embark on journeys of healing acceptance and ultimately peace Alejandro finds freedom in his art while Sebastian learns to let go through his writing each finding closure in their own way

Their final encounter a wordless meeting across a crowded street leaves them with the knowledge that they have become different men still carrying the love they shared yet no longer bound by it Alejandro is a celebration of love's ability to change us even if it cannot stay It explores how passion can turn into pain yet also into something beautiful an enduring memory that becomes part of who we are Sebastian and Alejandro's story reminds us that some loves are destined to be lived but not kept and that these loves leave behind an indelible mark on our souls In the end both men reflect on their journey recognizing that though their love has become a chapter in the past it will always be a cherished piece of their story For both Sebastian and Alejandro their time together was the most beautiful pain they could have ever endured With lyrical prose moving dialogue and vivid settings from the bustling streets of Chicago to the vibrant heart of Lima Alejandro is a heart wrenching and tender tale of what it means to love to let go and to carry the memory of a love that was never meant to last It's a story that resonates with anyone who has loved deeply lost painfully and emerged stronger on the other side **The World Split**
