Pentecost To The Present Jeff Oliver, 2017-02. Contrary to popular belief, miracles did not pass away with the twelve apostles. If anything, the Pentecostal sparks that were lit by them continued to spread throughout the known world. In this first installment, the reader will learn how Jesus and the apostles established the concept of the Holy Spirit's abiding presence in the church, laying the groundwork for a Christian initiation that included salvation and Spirit baptism. The reader will see how spiritual gifts operated through the twelve apostles as they spread Christianity into the known world. How bold witnesses, supernatural signs, and practical love resulted in massive expansion of the early church despite extreme persecution. How Montanism tried to revive the church from moral decay through strict living and prophetic gifts before it was rejected. How Emperor Constantine I reunited the Roman Empire under a new Christian-friendly regime. How the new state-run churches, overrun with sin, caused many to flee to the wilderness, resulting in another intense spiritual revival. How the Middle Ages featured the mass conversion of much of northern Europe through miracle-working missionary monks, followed by a period of great jubilation, mystical faith, and charismatic revivals, and ending with the incredible healing ministry of Vincent Ferrer.

The Interpretation of The Meaning of The Holy Quran Volume 2 - Surah Al-Baqarah verse 72 to 130

Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books. I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English. Currently there is a great misunderstanding about Islam among Muslims and non-Muslims globally. The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims. The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non-Muslims. The wrong actions of the Muslims have led to many miseries and wars among Muslims. The wrong actions of Muslims have also led to many wars and clashes between Muslims and non-Muslims. In order to avoid miseries, wars and clashes from taking place between the whole mankind in the whole world, the whole mankind in the whole world needs to understand the true teaching of Islam. There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran. The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world, English. For this very reason I have written the interpretation of the Holy Quran in English.
