Kiley,1998 Honor Bound is the result of a fruitful collaboration between Stuart I Rochester and Frederick Kiley In examining the lives of the prisoners in captivity it presents a vivid sensitive sometimes excruciating account of how men sought to cope with the physical and psychological torment of imprisonment under wretched and shameful conditions It includes insightful analyses of the circumstances and conditions of captivity and its varying effects on the prisoners the strategies and tactics of captors and captives the differences between captivity in North and South Vietnam and between Laos and Vietnam and analysis of the quality of the source materials for this and other works on the subject *Special Bibliography Series* United States Air Force Academy.
