The Haunted Hogan:

The Haunted Hogan Leo Du Lac, 2002-07 [The Haunted Chamber](#) Grace Griswold, 1921 **Hogan's Heroes** Brenda Scott Royce, 2013-12-10 An insider's look at the surprisingly successful perennially popular classic 1960s sitcom set in a prisoner of war camp in World War II Germany. If your fondest TV memories involve the POWs of Stalag 13 cleverly outwitting their captors, Schultz stammering "I know nothing" and Hochstetter threatening to send everyone to the Russian front, then this is the book for you. This fun and informative book takes you behind the scenes of the classic 1960s sitcom to reveal the story behind the creation, production, and eventual cancellation of the series; the controversy surrounding the show's unlikely premise; interviews with many of the show's stars and crew; biographies of the stars and supporting actors; a detailed guide to each of the 168 episodes; a guide to collecting Hogan's memorabilia; and more. Hogan's Heroes is more popular now than ever before, especially in Germany where it has become a surprising cult hit. In this book, most of the show's stars and behind-the-scenes personnel share their memories and reflect on the series' enduring popularity.

Ben Hogan Tim Scott, 2015-04-01 Ben Hogan's accomplishments on the golf course are the stuff of legends, but his life off it was exceedingly private. In this biography, author Tim Scott demonstrates why such public perception was not representative of Hogan's personality, offering a firsthand glimpse into the famous golfer's humor and sensitivity. Hogan wasn't perfect, and many of his fine qualities were never made public until now, as Tim Scott shares his personal experience with Hogan as well as Hogan's friends, family, and acquaintances. Along the way, a clearer picture emerges of Hogan as a man, a golfer, a friend, and a husband.

Hogan's Hope Connie Bombaci, 2018-03-29 Hogan's Hope is the heartwarming story of a deaf dog who escaped death during the time when the prevalent belief was that deaf dogs needed to be destroyed. It is the tale of a legendary deaf canine champion who endured severe abuse and prevailed as he turned upside down the myths of deaf dogs being dumb, difficult to train, and harmful. Hogan learned American Sign Language, engaged in normal puppy activities, and provided the hope of life, not death, for deaf dogs worldwide. Through perseverance and enduring hope, Hogan's courage provided inspiration to anyone human or pet that success and genuine love are truly possible. This heroic deaf dog continues to reveal that by choosing hope, anyone's dreams can come true, and the world can be filled with steadfast faith, pure joy, and unconditional love. It's a story like none other. Learn more about this intrepid pair as well as the power of love and persistence against seemingly stacked odds. Sit, read, enjoy. Dr. Nicholas H. Dodman, professor emeritus, animal behaviorist, Tufts University. I have been re-inspired with the notion that all of God's creation responds powerfully to His loving touch, passed on through others. Thanks to Connie and Hogan for teaching us to have eyes to see and ears to hear for all those with two legs or four legs who are around us every day. Read and gain this heartfelt hope for yourself. Jimmy H. Allen, Minister, International Churches of Christ.

Ben Hogan's Magical Device Ted Hunt, 2009-05-26 In 1954, Ben Hogan stated in the serialized lessons he wrote for Life magazine that he had a secret. He challenged the world to find it by stating, "It is easy to see if I tell

you where to look He then wrote his legendary instructional book Five Lessons and created a remarkable golf swing puzzle but somehow one important piece of information was missing Golf expert after golf expert have attempted to define this secret over the years serving to compile a rather lengthy list of what they think the secret is but never quite explaining how it s done Enter Ben Hogan s Magical Device a revealing book which intends to finally explain in universally understandable terms that long lost secret to Hogan s swing As a lifelong golfer with 50 years of experience two degrees in Physical Education and a Doctorate in History author Ted Hunt became determined to track down Hogan s secret himself He reviewed most of the literature concerning Hogan and interviewed many professionals including Jack Nicklaus and the result of his research produced a clearer understanding of the source of the confusion concerning Hogan s secret An hypothesis was conceived and tested and Hunt was pleased to discover that his analysis stood up to critical examination But perhaps more importantly his golf responded with more accuracy and lower scores which included shooting his age 79 several times within weeks of embracing the secret Complete with 100 photos illustrations and a foreword by movie star Sean Connery Ben Hogan s Magical Device gives an easy to follow explanation of Hogan s secret where it comes from and the foundations which support its successful execution Interspersed throughout the text are stories from professional acquaintances who spoke with Hunt about their times with Mr Hogan

Bringing the Monster to Its Knees Ed Gruver,2021-08-20 Bringing The Monster to its Knees Ben Hogan Oakland Hills and the 1951 U S Open is the first full length book on a victory that the four time U S Open champion always maintained was the most satisfying of his long and storied Hall of Fame career It fills an important void in previous books on Hogan s tournament play books covering his championship quests from Merion in 1950 to the Olympic Club in San Francisco in 1955 to Cherry Hills in 1960 The 1951 U S Open at Oakland Hills is unique in that it represents the first time the USGA deliberately altered a course for a championship a practice that became common in the years that followed and continues to this day The result was The Monster a creation of famed course architect Robert Trent Jones It remains the most infamous course layout in history and arguably the most torturous test ever presented to golfers anywhere Overcoming chronic pain that was a vestige of his near fatal car crash in 1949 a field filled with future Hall of Fame players and a course so devilish in its design that it was labeled Oakland Hells Hogan called his record setting final round 67 in the 51 Open the greatest round I have ever played He then issued one of the most famous quotes in sports history I m glad I brought this course this monster to its knees

The Wicked Waltz and Other Scandalous Dances Mark Knowles,2009-06-08 The waltz perhaps the most beloved social dance of the 19th and early 20th centuries once provoked outrage from religious leaders and other self appointed arbiters of social morality Decrying the corrupting influence of social dancing they failed to suppress the popularity of the waltz or other dance crazes of the period including the Charleston the tango and animal dances such as the Turkey Trot Grizzly Bear and Bunny Hug This book investigates the development of these popular dances considering in particular how their very existence as taboo cultural fads ultimately provided a catalyst for lasting social reform In addition to examining the impact of the waltz and other scandalous dances on fashion music leisure and social reform the text describes the opposition to dance and the proliferation of literature on both sides

[Decolonial Animal Ethics in Linda Hogan's Poetry and Prose](#) Małgorzata Poks,2023-07-28 Decolonial Animal Ethics in Linda Hogan s Poetry and Prose is a plea for an urgent redefinition of human animal relations on the basis of a nonanthropocentric animal ethic embraced by premodern Indigenous communities but depreciated by coloniality Without decolonial revisions of animal subjectivity and personhood the animal genocide can never truly stop It is also a close reading of Linda Hogan s poetry and prose in search of the coordinates of a decolonized animal ethic which would foster interspecies becoming Having defined the recurring tropes motifs and attitudes that underpin Hogan s treatment of nonhuman animals the book moves on to trace the way she depicts the human animal bond especially in the face of the destructive anthropogenic impact The major questions guiding the analysis of Hogan s oeuvre are as follows who are the animals we share our earthly lives with what can they teach us about ourselves how can animals guide us toward more sustainable futures and what are the conditions of possibility of an interspecies human animal thriving This book will be of interest to scholars and students of Indigenous Studies Decolonial Studies Animal Studies Ecocriticism Anthropocene Studies as well as readers of Linda Hogan s literary works

Hogan's Heroes Robert R. Shandley,2011-09-15 Analyzes the unique satirical social and political commentary offered by Hogan s Heroes during a volatile period in American history Hogan s Heroes originally aired between 1965 and 1971 on CBS corresponding to the most uncertain years of America s involvement in the Vietnam War In an era

when attitudes about the military patriotism and authority were undergoing a sea change Hogan s Heroes did not offer direct commentary on the conflict but instead explored incompetent military leaders draft dodging and perpetual war in an absurd storyline about Allied saboteurs inside a World War II German prisoner of war camp In Hogan s Heroes author Robert Shandley argues that the series reveals much about the parameters of comedy on militarism and war before the popularity of comedic social realism that would define later programs like the more critically acclaimed M A S H In three chapters Shandley investigates the significance of Hogan s Heroes to social cultural and television history First Shandley places Hogan s Heroes within its generic and television history contexts providing background on the genre of uniform sitcoms that were popular in the mid 60s In the second chapter he places the series within the historical filmic and televisual discourses surrounding World War II including the fact that several of its actors were refugees from the racial politics of Nazi Germany Finally Shandley demonstrates how the series uses its generic framework to engage in debates about the conflict in Vietnam and American militarism and shows that Hogan s Heroes laid the groundwork upon which M A S H would build Since the storyline and characters in Hogan s Heroes do not significantly progress throughout the run of the show Shandley primarily analyzes the show at the episode level to make the most of specific performances and content While it was moderately successful in its network run between 1965 and 1971 Hogan s Heroes has enjoyed constant play in syndicated re release since its cancellation Fans of this well loved show and scholars of television history will appreciate this insightful study of Hogan s Heroes

Architecture, Ethics, and the Personhood of Place Gregory Caicco, 2007 Architecture and environmental design are among the last professional fields to develop a sustained and nuanced discussion concerning ethics Hemmed in by politics and powerful clients on one side and the often unscrupulous practices of the construction industry on the other environmental designers have been traditionally reluctant to address ethical issues head on And yet the rapid urbanization of the world s population continues to swell into new megacities each less healthy welcoming secure or environmentally sustainable than the next Green carbon reduced and sustainable building practices are important ways architects have recently responded to the symptoms of the

crisis but are these efforts really addressing the core issues Taking the Dine Navajo Hogan Song a song used to protect and nourish the personhood of newly constructed dwellings as their inspiration the architects philosophers poets and other contemporary scholars contributing to this volume demonstrate that a deeper more radical change in our relationship to the built world needs to occur While offering a careful critique of modernist corporate or techno enthralled design practices these essays investigate an alternative relational ecology whose wisdom draws from ancient and often marginalized voices if not the whisperings of the earth itself Contributors include Richard Kearney Alberto Perez Gomez Juhani Pallasmaa Karsten Harries Edward Casey Susan Stewart David Abram Stacy Alaimo Jace and Laura Weaver Philip Sheldrake and Sebnem Yucel Young
