affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites

The Headless Horsemen Drac Von Stoller, 2012-09-25 Legend has it that during the mid eighteenth century the Clanton brothers were considered some of the roughest outlaws that the West has ever known It is said that one night they set up camp in the mountains after a stagecoach robbery and as they were counting the stolen money around the campfire they

were ambushed by another gang of outlaws known as the Smith and Wesson brothers Just as one of the Smith and Wesson brothers was about to shoot the last Clanton brother in the head he said You can go ahead and pull the trigger and end my life just the way you did my two brothers but we ll be back for you and your two brothers mark my words The Smith and Wesson brothers all just laughed and one of them said as he laughed and put his cigarette out on his head You ain t coming back from the dead You want to know why I ll tell you why I m going to cut each one of your heads off to make sure What do you think of that as he spit on him Just get it over with or are you too chicken to pull the trigger because you know what I m saying is true replied a fearless Clanton He replied Shut up Then the Smith and Wesson brothers took a swig of Tequila and broke the bottle over the Clanton brothers head Then he shot him in the head as he laughed The Smith and Wesson brothers cut each one of their heads off and buried the bodies Then the Smith and Wesson brothers got on their horses and rode back to town with the Clanton brother s stolen stagecoach money ready for some poker As the brothers got off their horses and swung open the saloon doors the place got quiet because not many of the townspeople dared cross the Smith and Wesson brother s path Cause if they did they wouldn t get just one six shooter they would get three six shooters The brothers approached one of the tables where six men were playing poker and one of the Smith and Wesson brothers said Looks like there s no place for us to sit Then the brothers just laughed and pulled out their six shooters and shot the three men dead at the poker table The brothers kicked the dead men out of their chairs and sat down at the table fired their six shooters at the ceiling and said Bring us a bottle of whiskey All the cards were dealt to all the players as the night wore on The brother s stolen money was dwindling Then all of a sudden three horses came galloping down the mountain and headed straight to the saloon where the Smith and Wesson brothers were playing poker The three figures stepped off their horses and swung open the saloon doors and the Smith and Wesson brothers jumped out of their chairs in shock
