What she finally uncovered was an obituary for a woman named Caroline McKenna a woman who looked enough like her to be her twin a woman who was killed in a car accident on the same day Joanna should have perished Now her torturous nightmares and a tenuous connection have brought Joanna three thousand miles across country to the town where Caroline lived and died Almost everyone has stories to tell about Cliffside s leading lady and yet no one seems to have known her Was she the shy wife or the seductress of men The devoted mother or the selfish beauty Too soon Joanna realizes that it s not her sanity at stake but her life For unraveling the mystery of Caroline means uncovering the secrets in this picturesque town secrets someone may have killed to hide And that someone appears all too willing to kill again **Sick and Dirty** Michael
