The Heart Never Fits Its Warnings:

Trigger Warning William W. Johnstone, J.A. Johnstone, 2018-08-28 From the USA Today bestselling authors of *Stand Your Ground* comes the explosive story of a liberal college under siege and freedom under fire. Former Army Ranger Jake Rivers is not your typical Kelton College student. He is not spoiled, coddled, or ultra-lib like his classmates who sneer at the soldier boy. But regardless of his differences with the rest of the student body, he needs an education. And when terror strikes the school, needs Jake. Without warning, the sounds of gunfire plunge the campus into a battle zone. A violent gang of marauders invade the main hall, taking students hostage for ransom. As a veteran and patriot, Jake won't give in to their demands. But to fight back, he needs to enlist his fellow classmates and school them in the not-so-liberal art of war. This time, the aggression isn't micro. It's life or death. And only the strong survive. Words of warning, counsel, and encouragement. 200 [tracts] assorted, 1862

Fire in the Heart Mary Emerick, 2017-09-05 *FIRE IN THE HEART* is a powerful memoir by a woman once a shy, insecure schoolgirl who reinvented herself as a professional wildland fire fighter. Determined to forge herself into a stronger, braver person, Mary climbs to new heights for a woman in the field. In the 90s, eventually becoming a team commander of a Florida wildfire division. Filled with literal struggles for survival, tough choices, and Mary's burning passion for what she does, *Fire in the Heart* is an unflinching account of one woman's relationship with fire. But when she loses someone she loves to the famous Storm King Mountain forest fire in Colorado, which killed fourteen firefighters, Mary faces the hardest choice of her life: to stay in the game or turn back and try to find the woman she used to be. It is both a thrilling memoir about life-threatening work and a meditation on identity, strength, bravery, bonds, and survivor's guilt.
