

I Gave My Heart To A Woman

**I gave my heart to a woman –
I gave it her, branch and root.
She bruised, she wrung, she tortured,
She cast it under foot.**

**Under her feet she cast it,
She trampled it where it fell,
She broke it all to pieces,
And each was a clot of hell.**

**There in the rain and the sunshine
They lay and smouldered long;
And each, when again she viewed them,
Had turned to a living song.**

Victorian Poetry and the Culture of the Heart Kirstie Blair, 2006-04-27 *Victorian Poetry and the Culture of the Heart* is a significant and timely study of nineteenth century poetry and poetics It considers why and how the heart became a vital image in Victorian poetry and argues that the intense focus on heart imagery in many major Victorian poems highlights anxieties in this period about the ability of poetry to act upon its readers In the course of the nineteenth century this study argues increased doubt about the validity of feeling led to the depiction of the literary heart as alienated distant outside the control of mind and will This coincided with a notable rise in medical literature specifically concerned with the pathological heart and with the development of new techniques and instruments of investigation such as the stethoscope As poets feared for the health of their own hearts their poetry embodies concerns about a widespread culture of heartsickness in both form and content In addition concerns about the heart's status and actions reflect upon questions of religious faith and doubt and feed into issues of gender and nationalism This book argues that it is vital to understand how this wider culture of the heart informed poetry and was in turn influenced by poetic constructs Individual chapters on Barrett Browning Arnold and

Tennyson explore the vital presence of the heart in major works by these poets including Aurora Leigh Empedocles on Etna In Memoriam and Maud while the wide ranging opening chapters present an argument for the mutual influence of poetry and physiology in the period and trace the development of new theories of rhythm as organic and affective *Women's Poetry and Religion in Victorian England* Cynthia Scheinberg,2002-05-30 Victorian women poets lived in a time when religion was a vital aspect of their identities Cynthia Scheinberg examines Anglo Jewish Grace Aguilar and Amy Levy and Christian Elizabeth Barrett Browning and Christina Rossetti women poets and argues that there are important connections between the discourses of nineteenth century poetry gender and religious identity Further Scheinberg argues that Jewish and Christian women poets had a special interest in Jewish discourse calling on images from Judaism and the Hebrew Scriptures their poetry created complex arguments about the relationships between Jewish and female artistic identity She suggests that Jewish and Christian women used poetry as a site for creative and original theological interpretation and that they entered into dialogue through their poetry about their own and each other s religious and artistic identities This book s interdisciplinary methodology calls on poetics religious studies feminist literary criticism and little read Anglo Jewish primary sources **Gems of Poetry** ,1880 **Sing with the Heart of a Bear** Kenneth Lincoln,2023-09-01 Examining

The Heart of American Poetry Edward Hirsch,2022-04-19 An acclaimed poet and our greatest champion for poetry offers an inspiring and insightful new reading of the American tradition We live in unsettled times What is America and who are we as a people How do we understand the dreams and betrayals that have shaped the American experience For poet and critic Edward Hirsch poetry opens up new ways of answering these questions of reconnecting with one another and with

what's best in us In this landmark new book from Library of America Hirsch offers deeply personal readings of forty essential American poems we thought we knew from Anne Bradstreet's *The Author to Her Book* and Phillis Wheatley's *To S M a Young African Painter on seeing his Works* to Garrett Hongo's *Ancestral Graves* Kahuku and Joy Harjo's *Rabbit Is Up to Tricks* exploring how these poems have sustained his own life and how they might uplift our diverse but divided nation This is a personal book about American poetry writes Hirsch but I hope it is more than a personal selection I have chosen forty poems from our extensive archive and songbook that have been meaningful to me part of my affective life my critical consideration but I have also tried to be cognizant of the changing playbook in American poetry which is not fixed but fluctuating ever in flow to pay attention to the wider consideration the appreciable reach of our literature This is a book of encounters and realizations Michelangelo's Poetry and Iconography in the Heart of the Reformation Ambra Moroncini, 2017-04-07

Contextualizing Michelangelo's poetry and spirituality within the framework of the religious *Zeitgeist* of his era this study investigates his poetic production to shed new light on the artist's religious beliefs and unique language of art Author Ambra Moroncini looks first and foremost at Michelangelo the poet and proposes a thought provoking reading of Michelangelo's most controversial artistic production between 1536 and c 1550 *The Last Judgment* his devotional drawings made for Vittoria Colonna and his last frescoes for the Pauline Chapel Using theological and literary analyses which draw upon reformist and Protestant scriptural writings as well as on Michelangelo's own *rime spirituali* and Vittoria Colonna's spiritual lyrics Moroncini proposes a compelling argument for the impact that the Reformation had on one of the greatest minds of the Italian Renaissance It brings to light how in the second quarter of the sixteenth century in Italy Michelangelo's poetry and aesthetic conception were strongly inspired by the revived *theologia crucis* of evangelical spirituality rather than by the *theologia gloriae* of Catholic teaching **Into the Heart of European Poetry** John Taylor, 2017-07-05

the prose poem He includes a few novelists who have fashioned a particularly original kind of poetic prose that stylistic category that has proved so difficult for critics to define Into the Heart of European Poetry should be of immediate interest to any reader curious about the aesthetic and philosophical ideas underlying major trends of contemporary European writing In a day and age when much too little is translated and thus known about foreign literature and when Europeans themselves are pondering the common denominators of their own culture this book is a
