The Heart of a Father Karl Thompson,2019-12-31 A book on the heart of a father can be multidimensional The two areas that I will focus on are faith and finances which are key to becoming productive citizens God placed us on earth to occupy and have dominion over it We were created to be citizens of God s kingdom Therefore as believers we have dual citizenship status Despite geographic boundaries we have one common homeland called earth and one common fatherland called heaven Citizenship has responsibilities It requires strong faith in God our creator On earth we are required to carry out responsibilities as part of our dominion mandate We are required to meet our financial responsibilities and respect and love each other That means we must be financially educated We must demonstrate prudent use of the gifts that he has given us and attest to his goodness Man has yet to demonstrate true citizenship

The Life That Is Real Life William Landon,2004-05-11 What is the most important part of any life The correct answer to this question holds the key to ultimate success in our living To be able to answer this question we have to understand what life is truly about Surprisingly the Bible is very clear as to the answer to this question In The Life that is Real Life Bill Landon explores the basic nature of human life as it is described in the Bible While this sturdy is based on Christian beliefs it is not affiliated with any denomination or organization In this nontraditional approach to life we will look at the spiritual view of living This is a view that is not found in most of the world s explanations of what human life is about Why do we need a new view of our living Most people sense that their living lacks a certain something Bill believes that something is peace and rest We are not at rest because we don t know where to look for these blessings The good news is that we can begin today to find a way to living with greater peace no matter what circumstances we face All we need to do is to seek from the right source for the answers Come and explore the wonderful world of the life that is real life
