**The early history of the Hebrews** Archibald Henry Sayce, 2025-02-10 The historian of the Hebrews is met at the very outset by a strange difficulty Who were the Hebrews whose history he proposes to write

We speak of a Hebrew people of a Hebrew literature and of a Hebrew language and by the one we mean the people who called themselves Israelites or Jews by the other the literary records of this Israelitish nation and by the third a language which the Israelites shared with the older population of Canaan It is from the Old Testament that we derive the term Hebrew and the use of the term is by no means clear Abram is called the Hebrew before he became Abraham the father of Isaac and the Israelites The confederate of the Amorite chieftains of Mamre the conqueror of the Babylonian invaders of Canaan is a Hebrew when he comes before us as a simple Bed wi sh kh he is a Hebrew no longer

Ottley,1904 **What are They Saying about the Letter to the Hebrews?** Daniel

J. Harrington,2005 Arguably the greatest Christian sermon ever written yet one of the more neglected and difficult writings in the New Testament the Letter to the Hebrews is says the author a long reflection on Jesus as the definitive means of access to God This book surveys recent scholarship about Hebrews and the progress made in that scholarship and informs prospective students and theologians of resources available to them Biblical scholars theologians students and pastors will find this work to be stimulating and enriching on the biblical theological and pastoral levels BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Letter to the Hebrews: Critical Readings**

Scott D. Mackie,2018-04-05 The Letter to the Hebrews is a key text in the New Testament canon It has recently received a great deal of attention prompting a resurgence of scholarly works and a need to re engage with some of the foundational works of scholarship on the text The history of research on Hebrews is presented in this volume of critical readings edited by Scott D Mackie The volume is organized thematically addressing the following sub areas theology Christology and pneumatology eschatology authorship and audience structure and Greco Roman influences the relationship with contemporaneous Judaism and soteriology Each section is prefaced by an introduction and summary of the particular theme in Hebrews At the end of each section is an annotated bibliography to point researchers towards further readings in and engagements with these key themes *The Theme of Promise in the Epistle to the Hebrews* Daniel Stevens,2025-04-24

Daniel Stevens analyses the use of the language of divine commitment in the Epistle to the Hebrews arguing that the author distinguishes promise from the cultic language of covenant to sketch a unique mixture of continuity and discontinuity among the people of God across time Stevens stresses through an exegesis of relevant passages that rest is not the primary content of promise nor is it the primary lens through which the other instances of promise language should be understood suggesting instead that the promise is most closely associated with the benefits promised to Abraham and then mediated through the various subsequent covenants He further explores how the divine promise relates to both the Old and New Covenants

arguing that Hebrews develops a view of salvation history in which covenants are founded upon promises and then bring those promises to fruition By demonstrating the ways in which this understanding of promise sheds light on the author's hermeneutic and on his method of achieving his hortatory purposes for the epistle Stevens concludes in a reassertion of the consistency of the author's thought regarding promise     An Exposition of the Epistle to the Hebrews John Owen,1854

Divine Christology in the Epistle to the Hebrews Nick Brennan,2021-09-23 Nick Brennan investigates the depiction of the Son's divine nature in the Epistle to the Hebrews despite little attention being directly given to the Son's divinity in recent study of Hebrews Brennan argues that not only is the Son depicted as divine in the Epistle but that this depiction ranges outside the early chapters in which it is most often noted and is theologically relevant to the pattern of the Author's argument Beginning with a survey of the state of contemporary scholarship on the Son's divinity in Hebrews and a discussion of the issues connected to predicating divinity of the Son in the Epistle Brennan analyses the application of Old Testament texts to the Son which in their original context refer to God 1 6 10 12 and demonstrates how the Pastor not only affirms the Son's divinity but also the significance of his exaltation as God He then discusses how Heb 3 3 4 witnesses to the divinity of the Son in Hebrews explores debates on the relation of the Son's indestructible life Heb 7 16 to his divinity and demonstrates how two key concepts in Hebrews covenant and sonship reinforce the Son's divinity Brennan thus concludes that the Epistle not only portrays the Son as God but does so in a manner which is a pervasive aspect of its thought and is theologically salient to many features of the Epistle's argument     *Reading the Epistle to the Hebrews* Eric F. Mason,Kevin B.

McCruden,2011-09-20 This volume designed for classroom use reflects contemporary trends in the study of an important and complex biblical text Essays address major interpretive issues and emphasize the importance of interpreting Hebrews in light of its ancient Jewish Christian and Greco Roman contexts     **A Commentary on the Epistle to the Hebrews** August Tholuck,1842     **Exercitations on the Epistle to the Hebrews, Also Concerning the Messiah** John Owen,1668
